

# Make A Moose Crown

# Moose Crown Directions

**Materials:** Brown and yellow paper, templates, brown cardboard, 4 black circles, 2 white circles, scissors, glue, tape, stapler

## Directions:

1. Cut out the pieces of your moose.

2. Glue the white and black circles together to create two eyes.

3. Glue the eyes to the top of moose head.

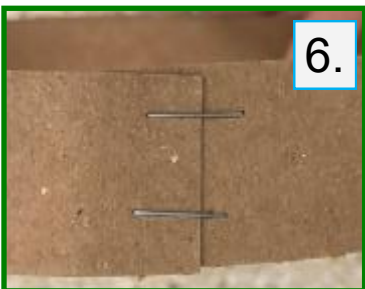

4. Glue two black circles to the bottom of moose head for the nose.

5. Glue the antlers to the back of the moose head.

6. Staple the headband together so it fits around your head.

7. Tape the moose head

to the headband and your done!
