

Make A Paper Tube Bumble Bee

Paper Tube Bumble Bee Directions

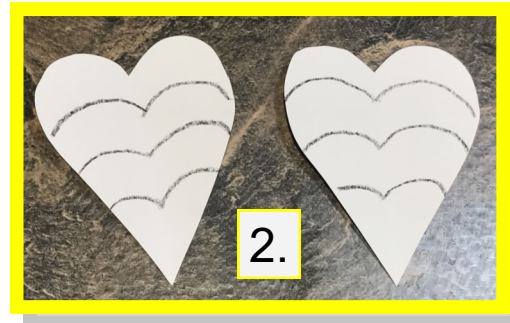

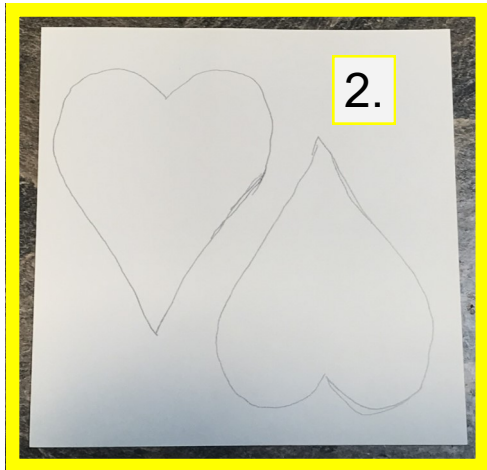

Materials: paper tube, white & black construction paper, 1 and 1/2 yellow pipe cleaners, colored pencils or crayons, wiggle eyes, scissors, and glue

Directions:

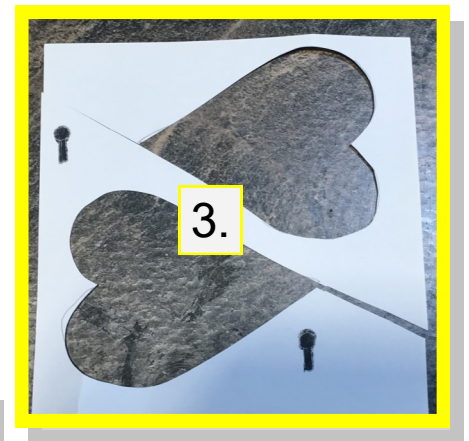

1. Wrap your TP tube in construction paper and glue to secure.

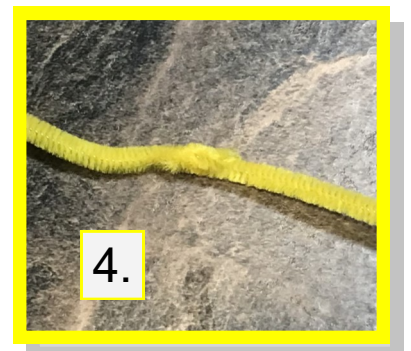

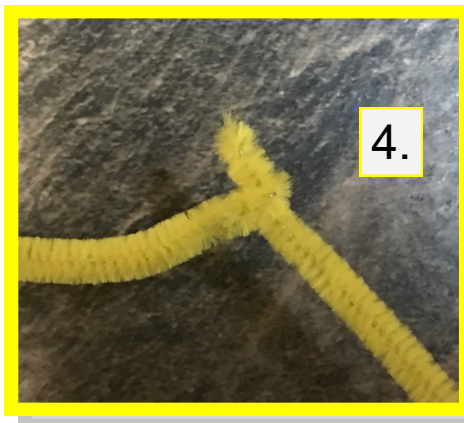

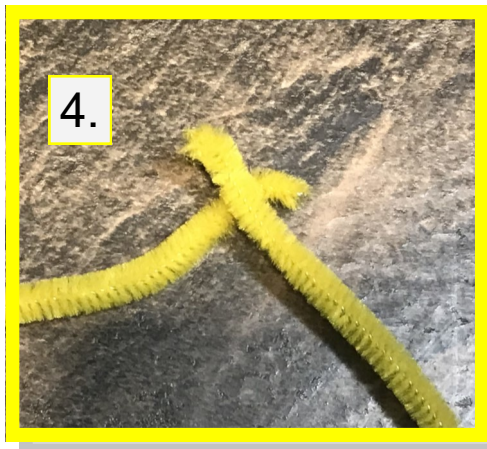

2. Draw the wings on the white paper and cut them out. You can also draw details on wings.

3. Using the white paper scraps, draw and cut out antennae.

4. Using the pictures as a guide, attach both yellow pipe cleaners together.

5. Use the end of a pipe cleaner or a pencil to poke a hole in the bottom portion of the paper tube and bend the pipe cleaner on the inside.

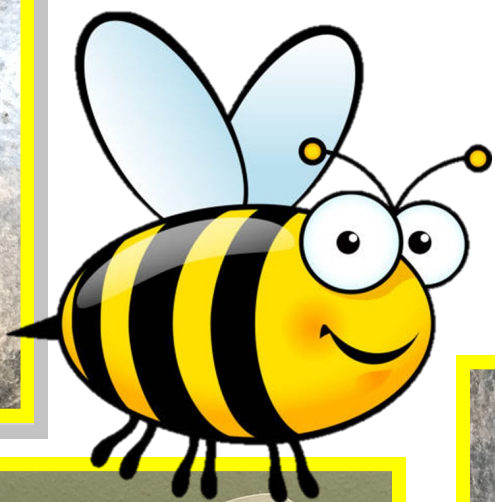

6. Wrap the pipe cleaner around the tube. Be sure to leave enough space at the top to add eyes and mouth.

7. Follow step 5 where the pipe cleaner ends.

8. Glue the wings, eyes, and antennae to the tube. Draw the mouth.

9. You're done!
Your buzzing
bumble bee is
complete.
