

Make a Butterfly Bracelet

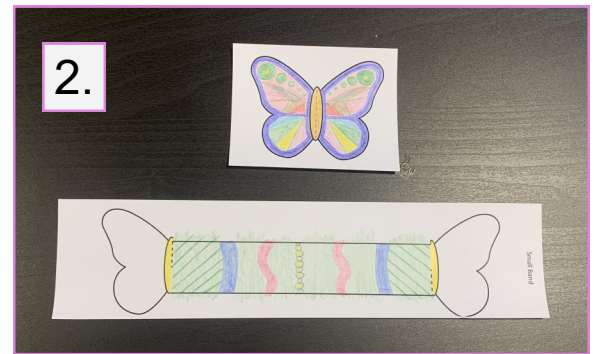

Butterfly Bracelet

Directions

Materials: 1 white bracelet band sheet, 1 white butterfly sheet, color pencils, scissors, and glue.

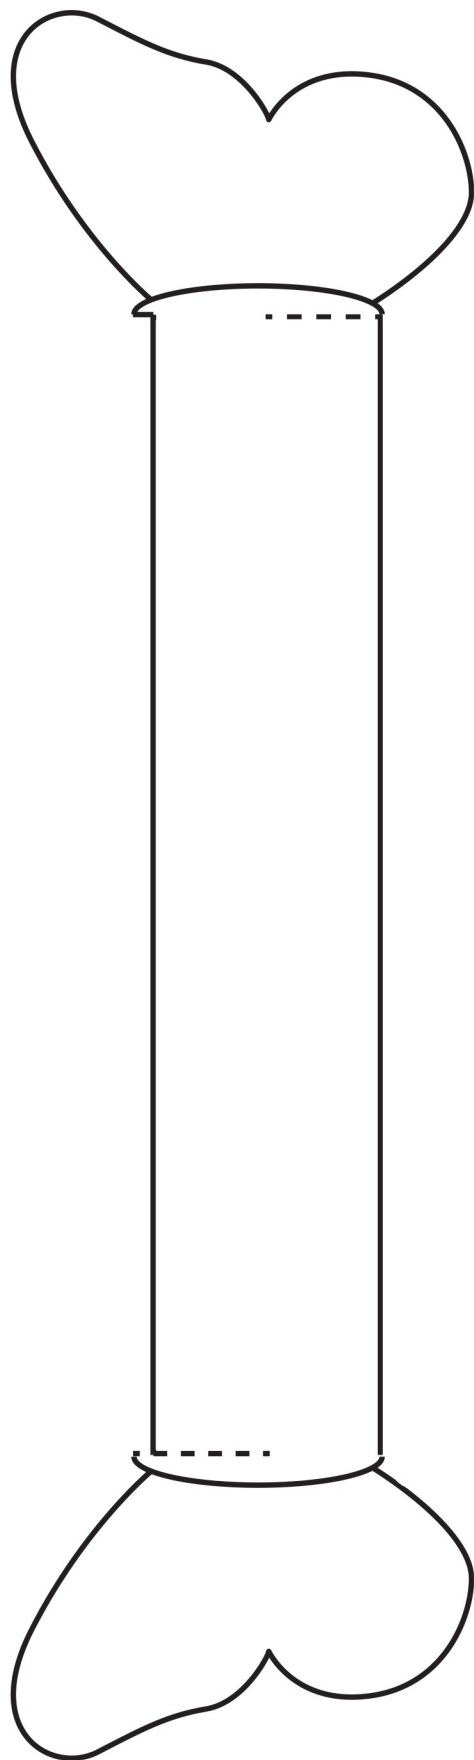

Directions:

1. Print one butterfly sheet and **EITHER** a small band **OR** large band.
2. Color the full butterfly and the band of the bracelet. (No need to color the wings on the band, they will be covered later.)
3. Cut out the butterfly and the bracelet.
4. Cut the full butterfly in half, down the dashed line.
5. Glue butterfly halves on bracelet ends.
6. Cut along the dashed lines on the

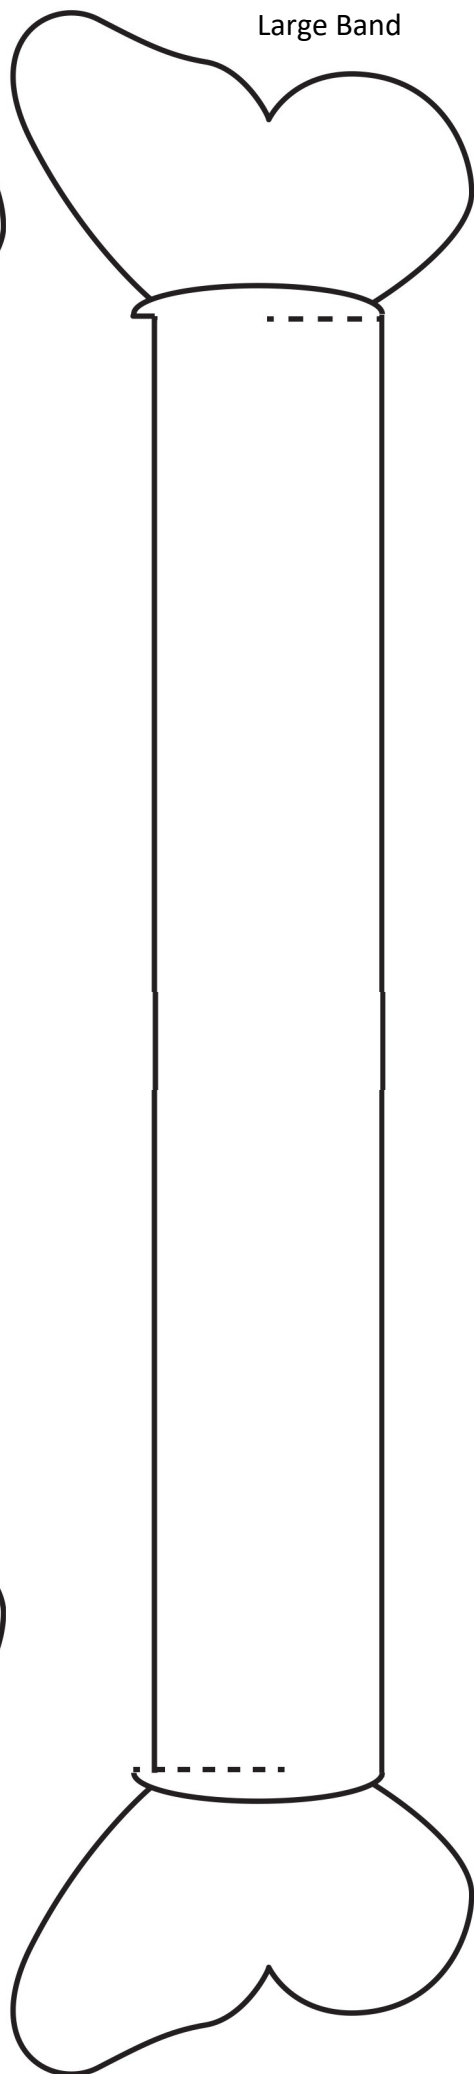

bracelet on both ends. Be careful to not cut fully.

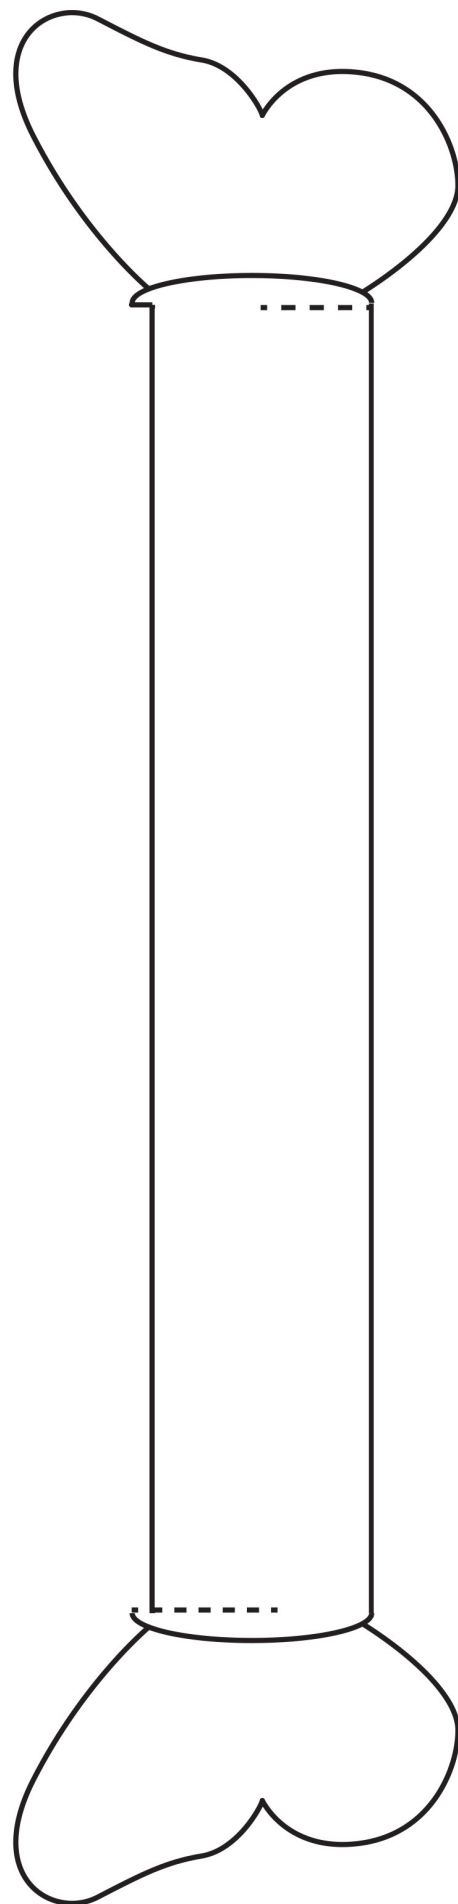

7. To wear, bring ends of bracelet together (on your wrist) and push slits one into the other.
