

# Make Decoupage Tile Magnet

# Decoupage Tile Magnet Directions

**Materials:** 2 inch tile, 4x4 inch square tissue paper, mod podge, paint brush, foam brush, magnet, hot glue

## **Directions:**

1. Paint a thin layer of mod podge on the tile.
2. Set the tissue paper on the tile.
3. Use the foam brush to gently press the paper flat.
4. Paint glue on the edges and press paper down.
5. Set aside to dry.
6. Repeat steps 1-5 for all of your tiles.
7. Trim the extra paper if needed.
8. Paint a thin layer of mod podge on top of the paper.
9. Use hot glue to glue the magnet on the back of your tile.

**PLEASE LEAVE DIRECTIONS ON TABLE ~ THANKS, WH NATURE CENTER**
