

Make A Paper Bag Monkey

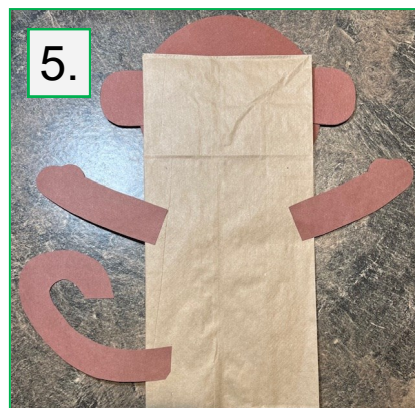

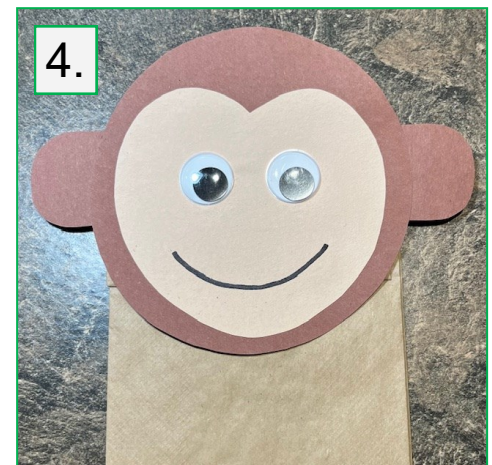

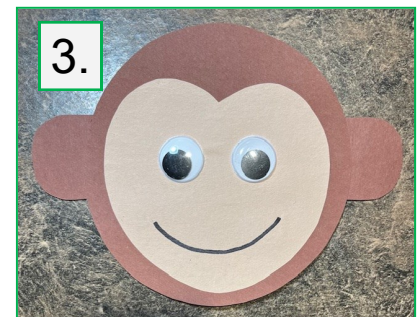

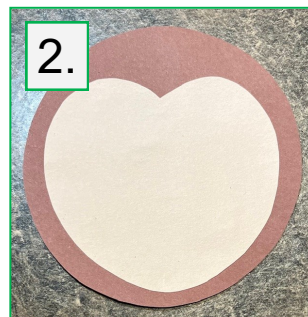

Paper Bag Monkey Directions

Materials: Brown paper bag, construction paper, wiggle eyes, black colored pencil, stick glue, scissors

Directions:

1. Cut out all pieces from templates.
2. Glue the light brown paper onto the dark brown circle.
3. Glue ears onto the back of the head. Glue wiggle eyes and draw a mouth.
4. Glue the head onto the paper bag. We glued it over top of the fold so the rest of the body was smooth but that is totally preference!
5. Glue the arms and tail on the back of the bag, same idea as glueing the ears.
6. All done! Happy World Rainforest Day (June 22nd)!

PLEASE LEAVE DIRECTIONS ON TABLE ~ THANKS, WH NATURE CENTER
