

Make a Paper Lion

Paper Lion Directions

Materials: yellow & brown paper templates, wiggle eyes, black marker, Elmers glue, & scissors

Directions:

1. Cut yellow head template.

2. Cut brown circle. Make 1 inch cuts all around to create lions mane.

3. Glue head to the mane. Set aside.

4. Cut yellow body. Cut along the 2 lines near feet to create tail. Use red lines in the picture as a guide.

5. Fold the tail back on dotted line.

6. Fold on all full-length dotted lines. Body can fold into a triangle-like shape.

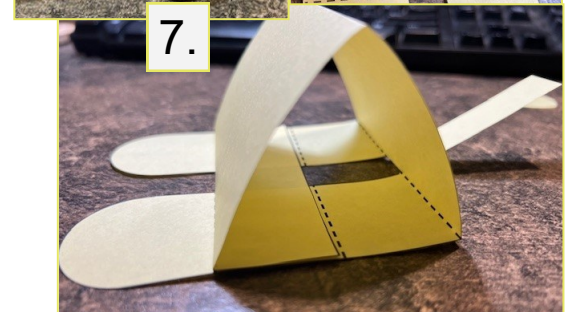

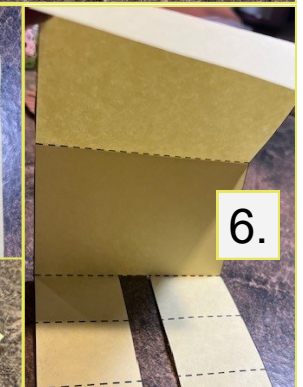

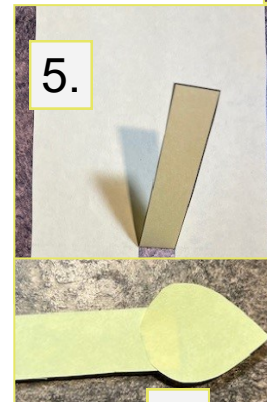

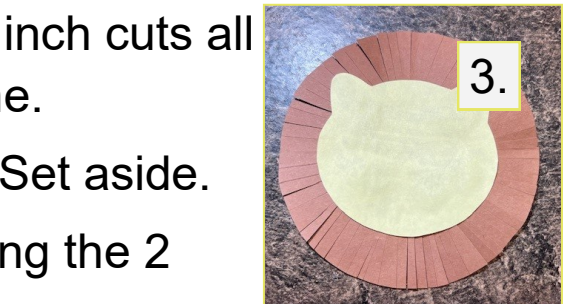

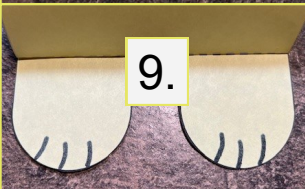

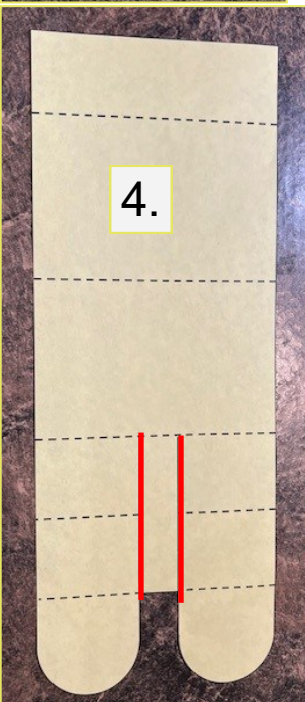

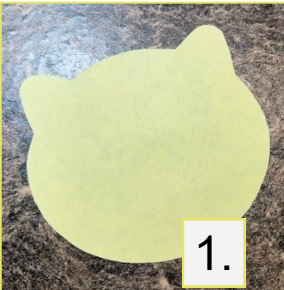

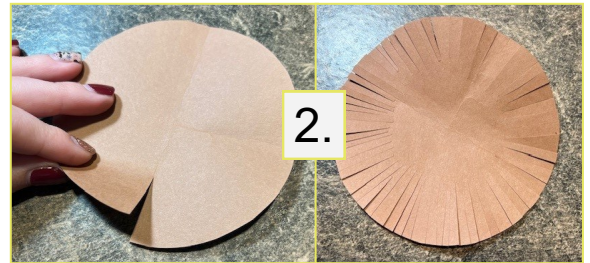

7. Glue the body together and glue tip to tail.

8. Glue eyes to head and draw a nose, mouth, and whiskers.

9. Draw toe lines on lions feet.

10. Glue head to body.

11. Time to make your lion roar!
