

# Make a Paper Plate Monkey Witch

# Paper Plate Monkey Witch Directions

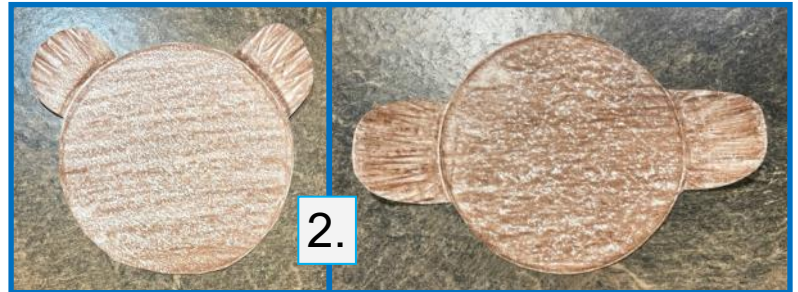

**Materials:** 2-six inch paper plates, brown and cream construction paper, brown crayons, black colored pencil, scissors, glue

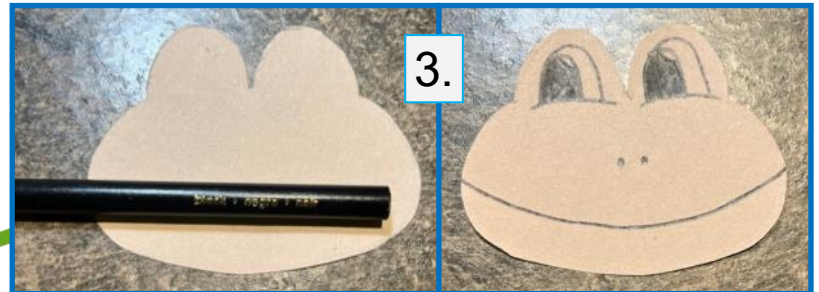

## Directions:

1. Color the two paper plates brown on bottom side.

2. Using one plate, cut as in either picture, leaving two rounded ears on the outside and keeping inside of plate as the face.

3. Cut out cream face. Add eyes, nose, and mouth with colored pencil.

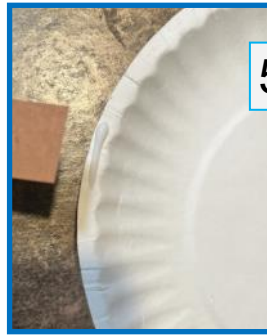

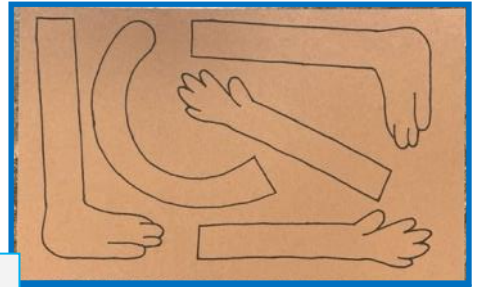

4. Glue face to head.

5. Cut out the arms, legs, and tail. Glue these to the back of the full colored plate.

6. Flip body over and glue head to the top of the body.

5.

7. Cut out parts for witch costume: hat, broom, & cauldron.

8. Attach witch parts with glue to make permanent or tape if you would like to remove the costume later.

6.

9. Let it dry before hanging.

10. Name your fun monkey and hang it up at home!
