

Make A Pom Pom Cicada

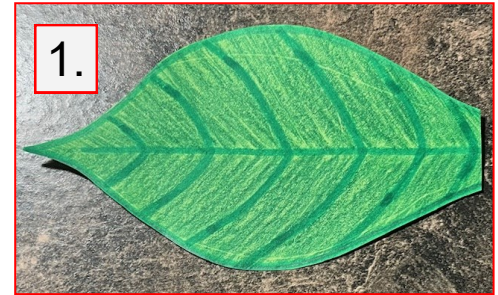

Pom Pom Cicada Directions

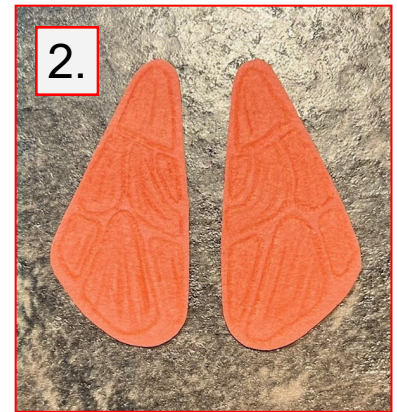

Materials: Egg carton, black pom pom, red pom poms, construction paper, colored pencils, scissors, tacky glue

Directions:

1. Draw and cut a leaf out of the green construction paper.

2. Cut and color the wings out of the orange construction paper.

3. Color the egg carton with the black marker.

4. Glue the black pom pom to one side of the egg carton. Glue the red pom poms onto the black pom pom. These are the cicada eyes.

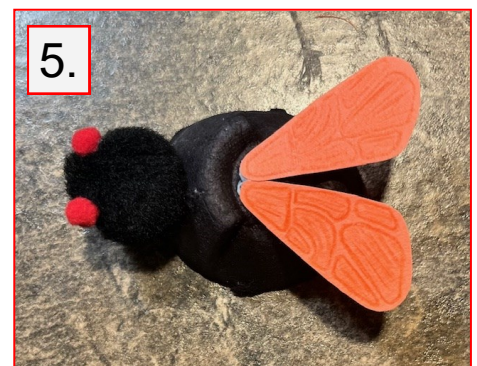

5. Glue the wings to the top of the egg carton.

6. Apply glue to the bottom rim of the egg carton and attach to the leaf.

7. You're all done! Keep and eye out for the periodical cicadas and let the Nature Center staff know if you see one!
