

# Make a Pretty Paper Flower

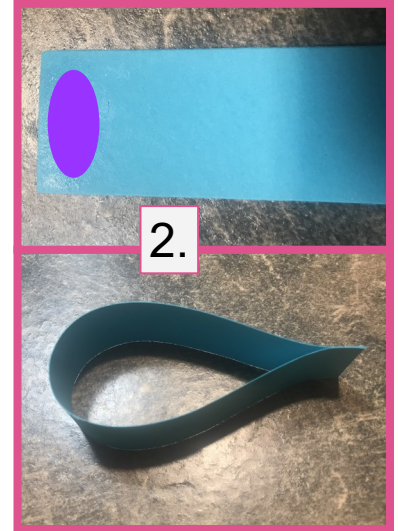

# Pretty Paper Flower Directions

**Materials:** colored paper with lines, straw, yellow circle, glue stick, tape

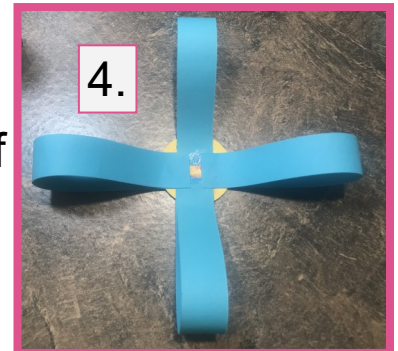

## Directions:

1. Begin by cutting your pieces of paper for petals.
2. Add glue to the end of the paper. Attach the other side to create a loop. Hold the paper together to help it stick.

3. Repeat step 2 for all the petals.

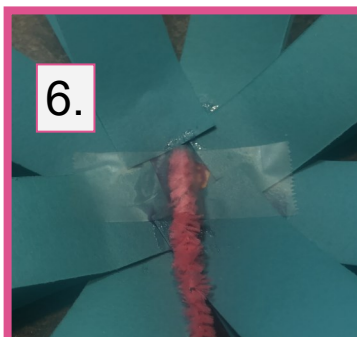

4. Glue the petals to your yellow circle in a "t" shape.

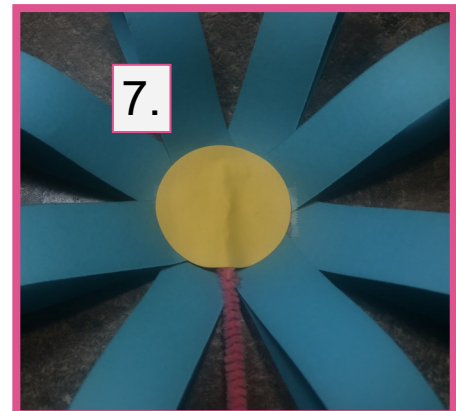

5. Fill in the gaps with the rest of the petals.

6. Glue your straw to the center of the flower then add a small piece of tape for security.

7. Glue the other yellow circle to the flower.

8. Flip your flower over. It's finished!

**PLEASE LEAVE DIRECTIONS ON TABLE ~ THANKS, WH**
