

PATIO

Second Class Permit Required

Woodhaven Rules and Regulations, Article VII, Section 7D

Paving Materials. The use of poured concrete, asphalt and other non-porous paving materials is prohibited. Only porous materials will be permitted.

1. Shall be at grade level.
2. Maximum area of 400 square feet.
3. Constructed of gravel, patio blocks, wood or other approved porous materials. Note: When using patio blocks, blocks are limited to 18" by 18" in size. Sand or other porous material may be used to fill the cracks between blocks or bricks. Under no circumstance is concrete or other material to be poured or placed for an impenetrable patio slab.

Setbacks: 15' from front property line; 5' from rear and side property lines.
