

Make A Cute Clothespin Spider

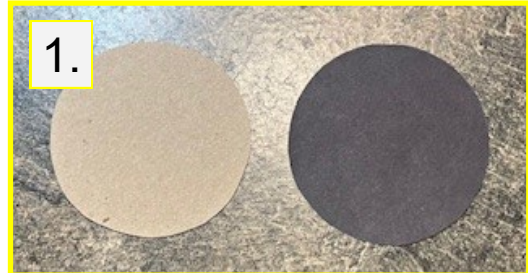

Cute Clothespin Spider Directions

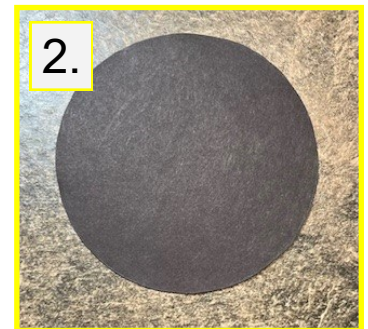

Materials: Construction paper, thin cardboard, popsicle sticks, clothespins, wiggle eyes, tacky glue, colored pencils

Directions:

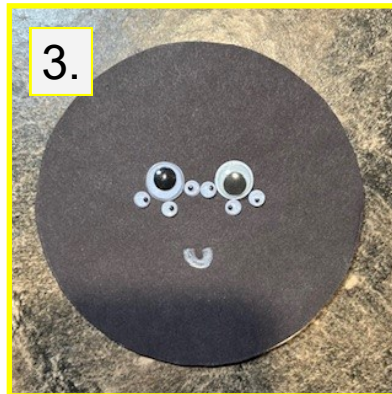

1. Cut out the construction paper and cardboard circles.

2. Glue the construction paper and cardboard circles together.

3. Glue the wiggle eyes to the black side of the circle. Arrange them however. Draw a face as well.

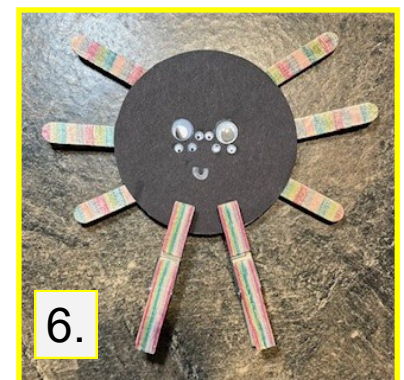

4. Color all popsicle sticks and both clothespins.

5. Glue the popsicle sticks to the cardboard side of the circle. Be sure to let them dry for five minutes or so before holding upright, they may begin to slide out of place if not.

6. All done! Your cute clothespin spider looks GREAT!
