

# Make A Handprint Sequin Fish

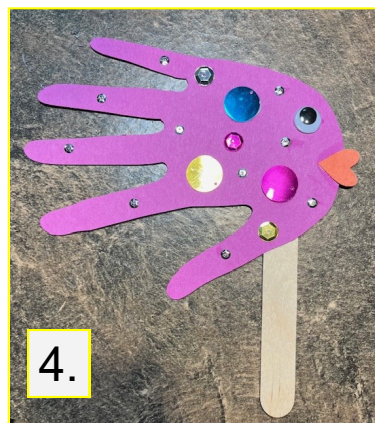

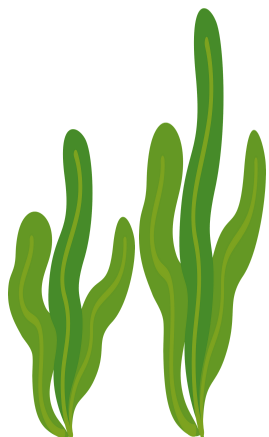

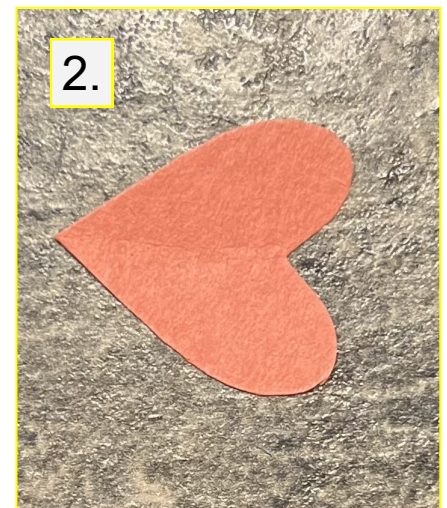

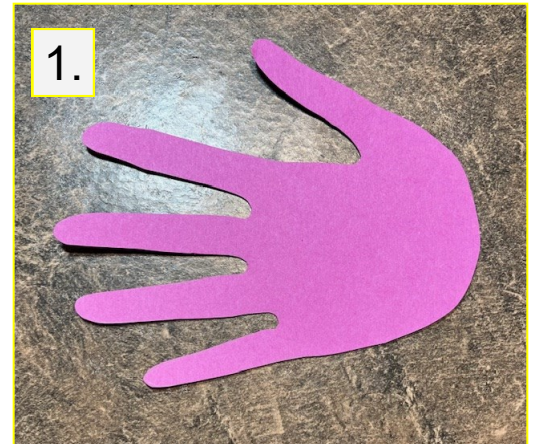

# Handprint Sequin Fish Directions

**Materials:** Construction paper, wiggle eye, sequins, popsicle stick, pencil, scissors, glue

## Directions:

1. Trace your hand on the larger piece of construction paper. Cut out the hand outline.
2. Cut a fish mouth out of the orange paper. Hint: Fold paper in half, draw half of a heart on the crease, then cut!
3. Lay out the sequin, wiggle eye, and mouth. Then glue to the hand outline.
4. Glue the hand outline onto the popsicle stick.
5. You're done! Don't let your handprint sequin fish swim away!
