

# Make A Handprint Sloth

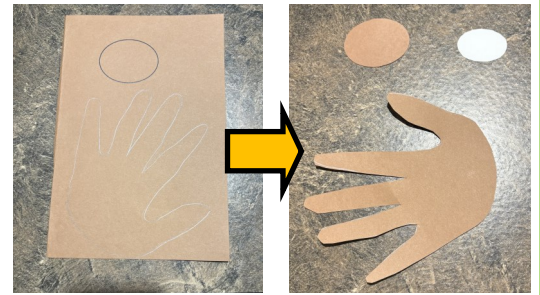

# Handprint Sloth Directions

**Materials:** Brown paper w/ template, markers, glue, pencil, 2 wiggle eyes, popsicle stick, white paper, scissors

## Directions:

1. Start by tracing your hand on the brown paper, then cut out your hand print and circles from the templates.

2. Draw out your sloth's face.

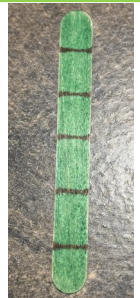

3. Glue the sloth's face to the brown circle you cut out.

4. Glue on the wiggle eyes.

5. Color your popsicle stick to look like a branch

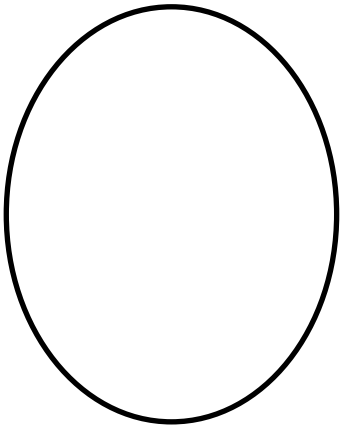

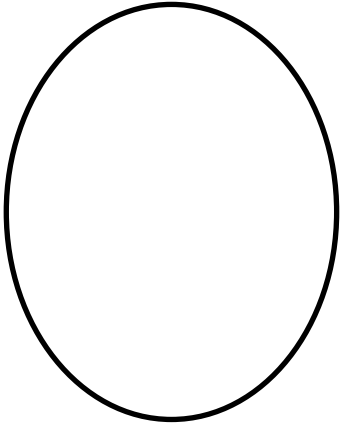

6. Finish up by gluing your handprint sloth to the branch, and you're done!
