

Make A TP Tube Monkey

TP Tube Monkey Directions

Materials: Toilet paper roll, monkey template, scissors, tacky glue, 8mm wiggle eyes, black marker

Directions:

1. Start by cutting out all of your monkey pieces.

2. Glue the ears and face to the brown head.

3. Now, glue the hand pieces to the arms.

4. Glue the belly piece to the TP tube.

5. Glue the monkey arms to your TP tube. You want to glue them near the belly.

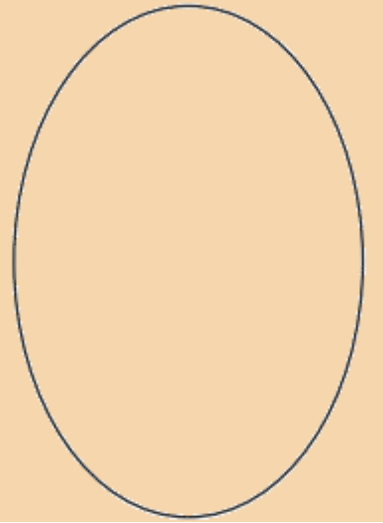

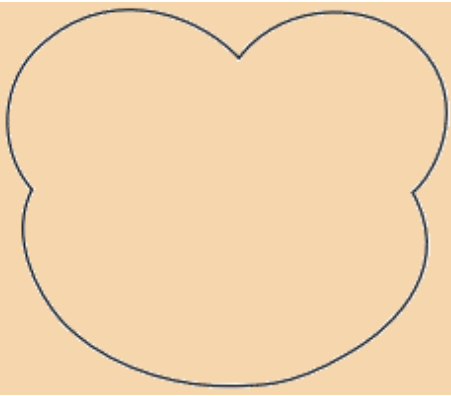

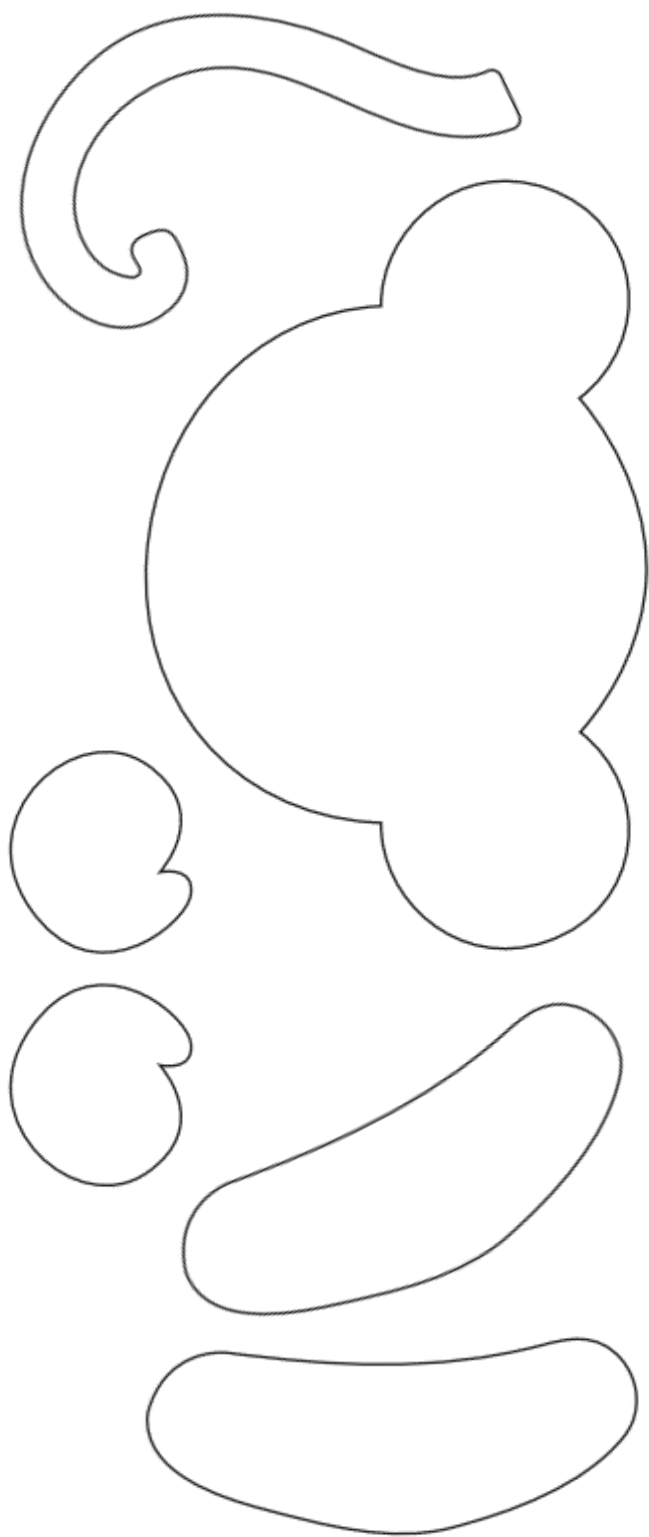

6. Glue on your wiggle eyes and use a black marker to draw on a nose, mouth, and whatever else you'd like!

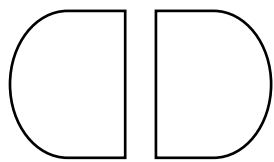

6. Once you glue your head to the TP tube, you're done! Don't forget to give your monkey a fun name!
