

# Make A Paper Cup Bald Eagle

# Paper Cup Bald Eagle Directions

**Materials:** Brown paper cup, 14mm wiggle eyes, eagle head, beak, & wings templates, Elmers glue, black colored pencil

## Directions:

1. Start by cutting out your head and beak templates.

2. Glue the beak and eyes to the eagle head.

3. Cut out the wings.

4. Fold the wings on the dotted lines.

5. Glue the wings and head to the cup.

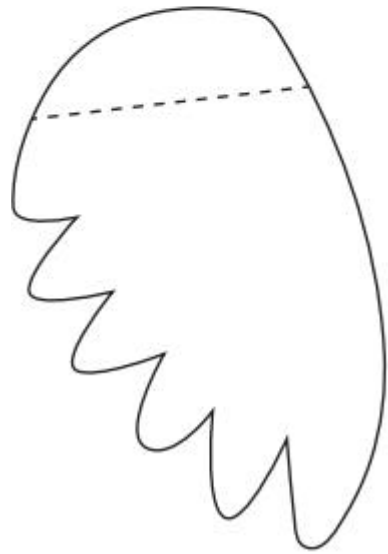

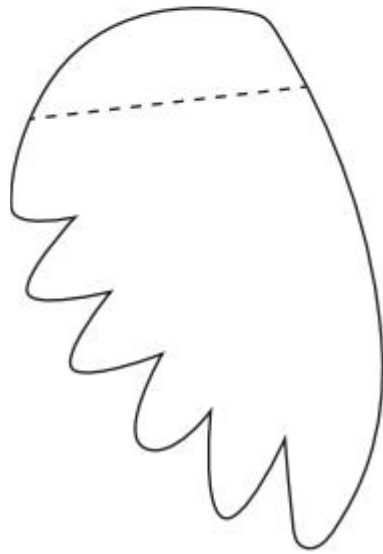

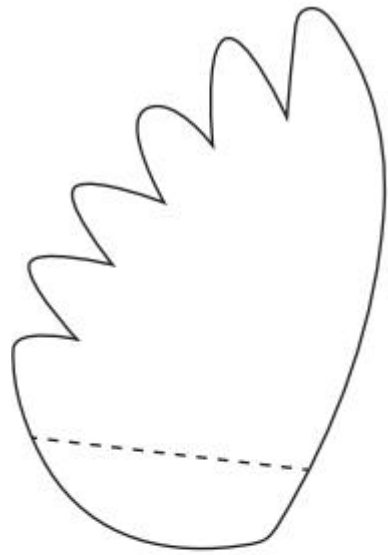

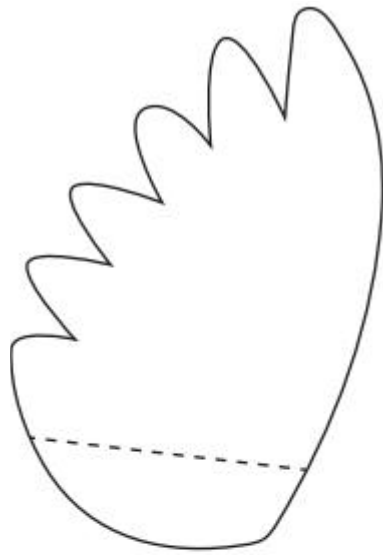

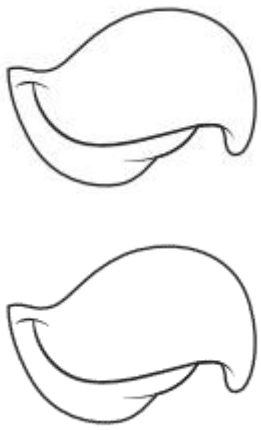

6. Use the colored pencil to give your eagle some feathers.

Your paper cup eagle is complete! Fly it around Woodhaven this 4th of July!

Two sets of templates.
