

Make A Paper Plate Flamingo

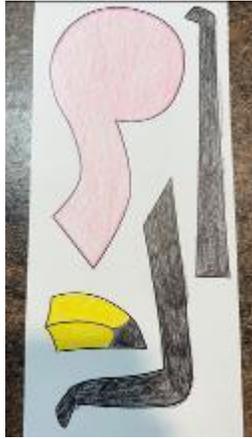

Paper Plate Flamingo Directions

Materials: Flamingo template, 9" paper plate, 12mm wiggle eye, colored pencils, pink marker, scissors, and Elmers glue.

Directions:

1. Start by coloring your flamingo template.

2. Cut out the flamingo template.

3. Draw out the wing on your paper plate then color your plate.

4. Glue the flamingo body parts to the paper plate.

5. Glue the flamingo's eye on.

6. Your flamingo is now ready to hang out with you!
