

# Make a Pumpkin Patch Stand Magnet

# Pumpkin Patch Stand Magnet Directions

**Materials:** 6 large popsicle sticks, 6 inches yarn, tacky glue, scissors, brown and orange colored pencils, templates: triangles in two colors, rectangle, pumpkins, pumpkin sign,

## Directions:

1. Glue 4 popsicle sticks together in a square shape. Glue all four corners as shown.

2. Glue 2 more popsicle sticks horizontally on the bottom.

3. Color the stems on your pumpkins. Add additional details if you'd like.

4. Cut out all your template pieces. Be careful not to lose any triangles.

5. Glue the "Pumpkins 50¢" on the purple rectangle.

6. Add two drops of glue on either end at top of popsicle stick frame. Attach ends of yarn to glue. You may need to hold yarn to help it stick.

7. Glue your pumpkins and sign to the stand bottom.

8. Glue triangles to your yarn. Glue the magnet to the back of the pumpkin patch stand to complete it!

9. Your done! Decorate for fall at home!
