

Make A Pony Bead Pumpkin

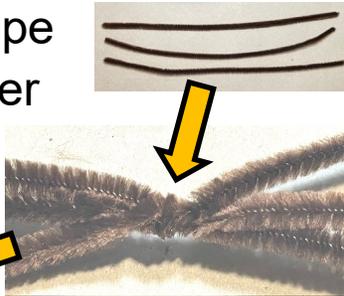

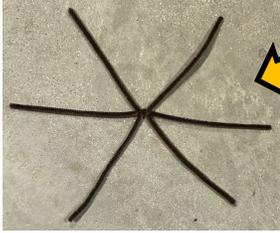

Pony Bead Pumpkin Directions

Materials: 3 brown pipe cleaners, approx. 90 orange pony beads

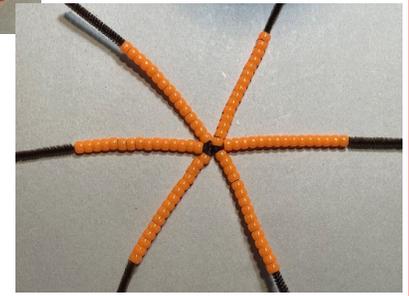

Directions:

1. Twist the 3 pipe cleaners together in the center.

Spread the "legs" apart.

2. Evenly add beads to each "leg" of the pumpkin.

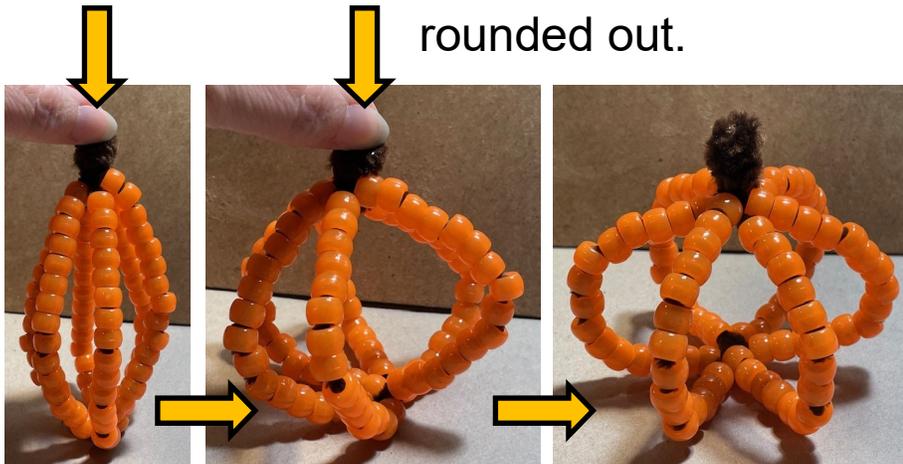

3. Pull all of the "legs" up together.

4. Twist the pipe cleaner tops together to form a stem. Wrap top extra bit around to make stem thicker.

5. Sit the pumpkin on its bottom and squish it down to give a round shape. Tweak some of the "legs" to make more rounded out.

6. Your pumpkin is done! Take it home to dress up your home for Fall, Halloween, November, and more.
