MESSAGE FROM THE BOARD

Hoping everyone enjoyed the Memorial Day Weekend. I was only able to be there on Saturday, but the campground looked crowded and the weather was great. I enjoyed seeing pictures of the Memorial Day Program, which is always my favorite event. Hope many of you contributed to the Time Capsule.

Our next big event weekend is the 4th of July celebration. I'm certain the Recreation Department has many great activities planned for us. Check out the schedule in the Leisure Times. Remember, many neighboring towns have fireworks displays on different nights, so you can see one each night! Registration is open for the 5k/3k race. Don't forget to check out the three liquors offered by Witness Distillery available at the General Store.

The new Trailside Building looks good and should be opening soon. The Board approved the purchase

of new fitness equipment and some upgrades to the Multi-Purpose room. The Pool 2 replacement project is moving along, and all the solar panels have been installed.

This is an election year for the Board of Directors for Woodhaven Lakes. There are four seats open and five candidates. You will have an opportunity to meet the candidates at the open-air market on Sunday, July 5th. The candidate's autobiography, platform and answers to questions presented by the communication committee will be included with the ballot sent out between July 13th to 15th. There will also be a video published with the candidates' answers to questions submitted by the Property Owners.

The 5th annual Veterans & First Responders Picnic is scheduled for Saturday, July 18th, from noon to 5 p.m. at Section 6 pavilion. Flyers will be posted on bulletin boards around property with all the information.

MANAGEMENT REPORT

jeff hickey, executive director | amy ackert, g.m. business services | randy koehler, g.m. member services | greg dimmig, g.m. maintenance services

Woodhaven's facilities and amenities are first class for an organization such as ours. The Nature Center and Tacklebox, which, at the time it was being built drew a lot of negative attention from a contingency of Owners who didn't believe it was warranted, has amazing and informative displays, excellent programs, and always has a steady crowd of users when it is open. The same can be said for all our facilities, from the comfort stations to the General Store, Restaurant, Service Center, Rec Plex, Lakeview Building, Family Center, pools, and beach. They are clean, well-managed, and well stocked. Our commercial amenities, such as the General Store and Service Center, are competitively priced for facilities of their size and order volume. Through the years, we have allocated both operating and reserve funds to ensure that these facilities not only remain in excellent condition but are upgraded to meet the current needs of Property Owners and your guests. Some of the most recent facility upgrades include extensive beach upgrades, including retaining walls and a new rental boat dock, a new mechanical room and electrical upgrades at Pool 1, a new shade pavilion outside the Rec Plex, a new concrete floor at the Nature Center Pavilion, and bulk storage containment bays at the Service Center for firewood and gravel.

Two major facility upgrades on the horizon, the Trailside Center and Pool 2/Bathhouse Replacement projects, are at different stages of development and completion. **The Trailside Center**, which began in January of this year, is nearing completion, although an exact opening date has yet to be determined. All the fitness equipment for the building has been ordered and includes two treadmills, two ellipticals, a recumbent bike, an air bike, a rowing machine, a recumbent step machine, a Hudson Southhampton Trainer with leg press, and dumbbell sets from 5 lbs. up to 70 lbs. The building will

also feature a Multi-Purpose room, a small computer use area, a single-person shower room, and a deck off the back of the building overlooking the trail. Remaining work includes interior finishing touches and sitework including paving the parking lot area and landscaping. When completed, the building will be equipped with card reader access, which will allow you to access the building 24 hours a day using your current Property Owner pass used to access the Main Gate. Watch our various social media sites and [Leisure Times](#) for more information on when the building will be open and ready for use in the coming months.

The Pool 2/Bathhouse Replacement project has been at the forefront of development and planning for the better part of a year, and we have been working diligently with the team from William Architects to finalize architectural drawings and project specifications to go out for bid. Our goal is to have the construction document phase completed by July 31, with bid documents available in early August. If all goes as planned, we will present construction bids to the Board at the September 8th meeting, with plans to start construction in late September or early October. With this schedule, we would likely be looking at a July 2027 opening for the new Pool 2 and bathhouse facilities.

Through this process, most of the features and aspects of the project have remained very close to what was discussed with the committees and board during the preliminary planning phase. The pool will feature a zero-depth entry, bench seating areas, a small splash deck for children, and an activity area which starts at a 6-foot depth and tapers down to a depth of 3 feet 6 inches at the opposite end. This activity area will allow for diving from three sides of the

pool deck at the deep end and offer a large area which can be used for both group fitness classes and general swimming. The featured aquatic amenity will be a 16-foot slide, or multiple slides, with a separate run-out area that does not empty into the pool. This will allow for maximum useable space inside the main pool area. Additionally, the current concession area will be renovated into two distinct vending areas, one accessible only from the pool deck, and the other accessible from the beach and outside pool areas. Our plans are to supplement the vending machines with various food trucks throughout the summer months. As was presented, the Family Center will be renovated to transform into the Pool 2 bathhouse, including a multi-purpose room, kitchenette, and separate family restrooms along with men's and women's showers. As we finalize the Design/Development and Construction Document Phases of the project, we will update the website with up-to-date information for your review and comments.

The goal for all our facility maintenance, renovations, and updates is to provide you, your family and guests with the quality amenities and services to enjoy Woodhaven while helping to maintain, and hopefully increase, your individual property values for future generations of Woodhaven Owners.

2026 Board of Directors Election

On June 6, the Election Committee along with the five board candidates met to discuss procedures for the upcoming Board election. The candidates for this year's election vying for four open seats include (listed in ballot position):

1. Charles Muir
2. Pamela Smith
3. Diane Connelly
4. Harry Koeppel
5. Chris Collins

Candidate information can be found on the bulletin boards on all comfort stations, in the July and August issues of the *Woodhaven News* and on the Owners Page on the Woodhaven website. Candidates will also be available for a Meet & Greet at the Open Air Market on Sunday, July 5 between 11:00 a.m. and 2:00 p.m.

Candidate ballots will be mailed to all Owners in good standing July 13 – 15 and you can vote electronically online or mail in a paper ballot. Please follow the instructions included with the ballots when you receive them. Vote totals will be presented at the Annual Meeting on Saturday, August 22, and the new

board will be seated at the Board Meeting following the Annual Membership Meeting. Please take time to learn and read about your candidates and vote!

Employee Orientation and Service Awards

Each year following Memorial Day Weekend, we bring all Woodhaven staff together, both full-time and part-time seasonal, for our annual Employee Orientation Program. The program allows us to provide valuable information and reminders to our staff and allows us to reconnect with returning seasonal employees and meet new ones from all the various departments. We also recognize and thank those seasonal employees who have returned to Woodhaven summer after summer to provide you with the great customer service and Woodhaven experience that you've come to expect.

Charles Muir Section 8 Lots 29 & 30

Charles is a lifelong resident of Illinois, growing up in Maywood and now living in Wheaton with Mary his wife of 42 years. They have three children and three grandchildren. The Muirs enjoyed visiting Woodhaven for many years and in 1999 became Property Owners.

Charles graduated from the University of Illinois with a Bachelors of Architecture degree in 1973, became an Illinois Licensed Architect in 1979, is a member of the A.L.A. and is a freelance Architect doing architectural design and consulting.

Over the years Charles has been a dedicated volunteer: Member of the Maywood Bicentennial Committee; worked with youth, involved in music, served as a Board Member and Trustee Chairman overseeing building and grounds at both Broadview Wesleyan and the former Wheaton Wesleyan Church; was District Youth President, Youth Camp Director and a Board of Director with the former Illinois District of the Wesleyan Church.

Another passion is serving at Woodhaven: Past member of the Facilities Planning Committee & Board Liaison to ESAC. Present member of the Board of Directors, Board Secretary and Facilities Planning Committee Chairman. Charles has spent many hours giving architectural counsel to Woodhaven regarding numerous construction projects and he also volunteers on the Chapel-in-the-Woods committee.

Position Statement:

Woodhaven... Haven is defined as a Refuge or Shelter. Many owners come to Woodhaven to relax and find Refuge within the beautiful surroundings and to ultimately escape the outside world. Others come for a place of fun and recreation. Most importantly we all desire a safe Shelter; I will work diligently to preserve this our "Haven".

If elected I will work to enhance what we have here as Property Owners. Woodhaven belongs to the owners and to most it is a big investment of time and money. I have always been an advocate for continued growth, expanding amenities, working within a reasonable budget and keeping our assessments affordable. With continued good financial management, Woodhaven will continue to be the premier recreational facility in America.

Looking forward, we must continue to grow our activities and programs for our varied owner base, keep our properties current and presentable while working with the resources that we have. I will continue to support this effort and work to have Woodhaven meet the needs of its owners. Finally, I will be listening to you and will be a partner with you, together we will continue to move Woodhaven forward in a positive way.

Pam Smith Section 4 Lot 127 & Section 7 Lot 209

I have been part of the Woodhaven community since 2010 and believe strongly in being involved where I live, work, and spend my time. Woodhaven has become a home away from home for my family, and service here has been an important part of that connection.

I previously served on the Woodhaven Board from 2018 to 2022 and gained a solid understanding of the responsibilities and collaboration required to govern our community effectively. While undergoing cancer treatment, I made the decision to step back from the Board after recognizing that I could not meet the demands of the role at the level it deserved. Today, I am healthy, engaged, and ready to serve again.

I remain involved as a section rep alternate and assist with organizing the annual Veteran and First Responder picnic, which allows me to stay connected with owners and support events that bring us together.

Professionally, I work as a fleet manager and operations coordinator for a mid-sized sales and service company, managing logistics, balancing priorities, and solving problems efficiently. I hold a Bachelor's degree in Business Management from Western Governors University. At home, I'm a wife to Niel and a mom to three adult children.

Position Statement:

Woodhaven works best when owners feel informed, respected, and confident that decisions are being made thoughtfully and transparently. If elected, my focus will be on supporting that kind of board leadership.

My first priority would be clear and consistent communication. Board members review documents, contracts, and background information that most owners never see. When decisions move quickly, that gap can leave owners feeling disconnected. I believe we can do a better job explaining not just what decisions are made, but why. This builds trust and shared understanding throughout the community.

My second priority would be making full, thoughtful use of the facilities and amenities we already have and ensuring they are properly maintained. Woodhaven offers a lot, and with careful planning and owner input, we can continue to find ways for those resources to serve the widest range of owners effectively.

I understand the time commitment and responsibility that come with board service, and I'm prepared to step into that role again with a practical, balanced approach. My goal is to support a strong, well-functioning board that keeps Woodhaven a place where people come to relax, recharge, and feel proud to belong.

Diane Connelly Section 20 Lots 31 & 32

I was born and raised on the northwest side of Chicago. I met and married my husband Michael, and we raised our four children in Chicago. I worked for the Chicago Public School System, and Michael was a Chicago Police Sergeant. We moved to Schaumburg after we both retired and still reside there. Our family today consists of myself, my husband, 4 adult children, 3 spouses, 8 grandchildren, 4 dogs, 5 cats, 1 bird, and a turtle. Fortunately, we live in five separate houses!

We had friends who owned property at Woodhaven Lakes, and we camped on their lot several times before we finally bought our own lot in 1984. We have spent every summer there since purchasing and still love it. Three of our children eventually bought lots in the same section so we all could enjoy Woodhaven together.

I was a section representative for many years and served on the Facilities Planning Committee for a short time before being elected to the Board of Directors in 2022. I was then appointed as Chairperson for the Communications Committee and still serve in that position.

Position Statement:

I have decided to become a candidate for the Board of Directors for another four-year term. I believe the time I have spent on the Board gives me an even better understanding of what Woodhaven truly is. As a continuing Board member, I would be in a better position to ensure that Woodhaven is that special unique place for all Property Owners.

People purchase property at Woodhaven for different reasons and expectations. We need to do everything we can to provide programs, activities, and entertainment for everyone. We also need to maintain our buildings, grounds, and services while planning for future needs. We need to remain fiscally responsible while keeping Woodhaven affordable.

If elected, I will remain approachable to Property Owners and listen to what they have to say. This is their "home away from home" and they need to have a say in what happens. I know with over 6,000 lots, not everyone will be happy with every decision made, but people need to know that they can be heard.

Harry Koeppel Section 5 Lots 46 & 47

Hello fellow Property Owners, my name is Harry Koeppel, and I am running for a second term to represent you on the Woodhaven Lakes Association Board of Directors. I am the first generation of my family born in the United States; both parents immigrated here from Germany. I was born in Chicago and am the eldest of three sons.

My parents purchased a lot at Woodhaven before many of the roads were constructed. I can recall catching frogs in Mallard Pond with my little brothers and fishing at Sunset Lake; much of which I still enjoy today with my grandchildren. My father started his own successful business, building custom architectural woodwork for the hospitality industry. I worked as his project manager for many years and then eventually took over the family business. I have been retired for eight years now and enjoy spending time at Woodhaven with our four grown children and ten grandchildren. My wife Diana is also recently retired and is a member of the communications committee for her second term. We enjoy the life we established and the many friends we have made over the years with many other Property Owners.

Position Statement:

I have been on the Woodhaven Board of Directors for the past four years. It has been my honor to serve on behalf of our Property Owners. I have been a member of our fine association since my parents first purchased a lot from the original developer in 1969. Over the last 50 years I have enjoyed the many activities that are offered here; initially with my parents and siblings; then my wife and our children; and now with our grown children, grandchildren and the many friends we have made over the years.

I am currently the liaison for the Public Safety Board of Review ensuring fair treatment and justice for all owners. In the past I have volunteered my time and talent by serving as a Section Representative for Section 5; and by serving on the ESAC board of review; both working hand in hand with staff and Property Owners. It has been my practice to ask the difficult questions; and seek full transparency to ensure our Property Owners' best interests are being served, by maintaining my core principles of honesty, integrity and impartiality. It is my desire to keep Woodhaven affordable and enjoyable for generations to come.

Chris Collins Section 12 Lot 48 & Section 26 Lot 145

I was born and raised in Elgin and currently live in Sycamore Illinois with my wife Heather and our two dogs, Ellie an Australian Shepherd and Piper a Border Collie. Together we are parents to five grown children and two granddaughters. I have been visiting Woodhaven for more than 20 years, been a Property Owner for eight, and have served on your Board of Directors for five years, the last four as Vice President. In 2022 I retired from a 30-year career as a first responder and started a training and consulting company with my wife. We are co-founders and lead instructors in a growing business with 10 employees. Together we have trained or presented to over 20,000 people in Illinois and across the Midwest. In my free time I enjoy keeping busy, being outside, working on household projects, and cooking. Throughout my life I have served in many capacities including several board of directors, leadership and volunteer positions, and have extensive experience in team and project management, budgeting and purchasing. I am passionate about keeping Woodhaven affordable while maintaining and improving the amenities and experiences of all Property Owners.

Position Statement:

I believe it's important to give back to the communities where we live by participating and serving to improve the quality of experience for everyone. At WHL I have been a member of the Board of Directors for 5 years and have served as Vice President since 2022. I am impressed by the conscientious manner in which the Board and Staff conduct the business of the Association, attempting to balance operations and needs for many with concerns and objections of the few. If re-elected to continue my service, I will strive to maintain the great quality of facilities, services, and entertainment already provided while identifying opportunities for improvement and new offerings. I will work to support the staff of Woodhaven while representing the diverse population of Property Owners, balancing the necessities of operations while striving to keep assessments reasonable. Woodhaven exists as memories of the past, enjoyment in the present, but also considerations for the future. I appreciate your consideration and support as candidate for Board of Directors.

Woodhaven's Honor Roll of Veterans

We are continuing to seek the names of Woodhaven Property Owners and their immediate family who are US veterans or active duty. We will be adding to the list we compiled in over the last few years - if you submitted your info already, we will continue to include you. The Association would be honored to post these names in the *Woodhaven News*. You can fill out the form and return it to the Association Office, online [here](#) or you can send us a message through Facebook. We will continue to accept submissions and publish the list annually.

Thank you for your time and thank you for your service to our country!

2026 ELECTION SCHEDULE

Wednesday	April 1	Affidavits available online/Assoc. Office.
Saturday	May 9	Affidavit, Autobiographies and Position Statement due, 4:30p.m., Assoc. Office.

Per the Association's governing documents, an election of the Board of Directors is held every two years for either 3 or 4 seats. While the candidate information is shared early and often, not all the behind the scenes action is common knowledge. The Communications Committee wanted to bring you more details about the ins and outs of a typical Board election. Let's break it down over the course of the full election schedule!

Affidavits Available Online

Prior to affidavits being available, the Association will announce the upcoming election and the number of open seats. Staff will compile documents for an affidavit packet for candidates that includes the affidavit, By-Laws and Policies pertaining to Board Elections, and helpful election information, as well as start an election landing page on the website to host the election and candidate information for Owners to view through the process.

Affidavits, Autobiographies, & Position Statements Due

At this point, any member in good standing wanting to put their proverbial hat in the ring as a candidate must submit a completed affidavit and written autobiography and position statement. Affidavits are the official declaration of intent to run for a Board seat. This sets in motion the file review done on a candidate to verify they are in good standing and eligible to run. The autobiographies and position statements are reviewed by management and any statements of fact regarding experience or accreditations are verified. Both the autobiographies and position statements are used in the ballot materials sent to the Owner of Record for each lot. They are also published in the *Woodhaven News*, on the Board Election webpage, and Woodhaven Lakes Facebook page.

Election Committee Meeting & Deadline for Woodhaven News Ad, Questions and Answers, or Removal from Ballot

Let's start with the Election Committee here - this committee is formed during each election and is comprised of each candidate, a representative of each standing committee, and is chaired by the Board Secretary (or President, if Secretary is a candidate) and another elected member of the committee. The committee discusses the campaign procedures, ballot procedures, how to address campaigning issues, draws for candidate order on ballot, and adjudication processes, and ultimately will sign off on the election results.

This deadline is also the final opportunity to withdrawal candidacy in time for removal from the ballot. For those proceeding with candidacy, their *Woodhaven News* ad, poster information to be hung on property, and questions and answers to be published in the ballot packet are all due. For any who have determined they wish to withdraw themselves from candidacy, this is the deadline for their name to be removed from the ballot.

Record Candidate Questions & Answers

This step of the process is where the Communications Committee begins to play a role. In the past, the committee would host a Candidate Forum following the League of Women's Voters format, curating questions that were revealed at the forum and answered in ballot number order by each candidate. In recent years, the committee has opted to replace the forum with a two part approach - a more candid option of recording each candidate's question and answer session, and the candidate

meet and greet. The recorded videos allow each candidate to answer the questions previously presented through the forum without hearing them, or another candidate's answer, prior to their answer. This also allows all of the membership the opportunity to view the videos and the candidate's responses without having to attend an in-person forum. The videos are published to the election page of the website within a couple weeks of recording.

Candidate Meet & Greet

The Candidate Meet & Greet takes place at the Open Market in July. Tables are set up along the Open Market path for the candidates to have face to face interactions with the membership. This is an opportunity for Owners to openly ask questions of the candidates.

Paper Ballots Mailed/Ballots Postmarked & Received

At this point, the delegated election company sends the paper ballots, which includes instructions for online voting and the candidate autobiographies, position statements, and questions and answers. Per our By-Laws, ballots are mailed to the primary Owner of Record (named first on the Membership papers, or as otherwise designated by the Member) for each Campsite. An example ballot from 2024 has been provided on the next page as an example.

For those voting electronically, there is a designated PIN on the ballot to verify section/lot and eliminate the potential for duplicate votes from a single campsite. Those voting by mail need to follow the instructions provided, including utilizing the enclosed, postage-paid envelope to return the completed ballot. Ballots must be received to the election company by the printed date on the ballot; in the 2026 election, Friday, August 14.

Replacement Ballots

In the event an Owner needs a replacement ballot - they've misplaced their original, made a mistake on their ballot, etc - they may contact the Association Office for a replacement ballot.

Ballot Adjudication

Ballot adjudication begins with reviewing all returned ballots to verify members in good standing. This includes verifying current ownership and past due balances; the election company runs a database check to make sure all ballots are eligible. The election committee then adjudicates any ballots with issues: short votes, write ins, duplicates, etc. Once the adjudication process is complete; the election company will run final checks and provide an official election result to the election Chairperson and assigned staff member. These results will be presented at the Board Meeting following the Annual Membership Meeting, where the new Board Members will be sworn in and seated.

Memorial Tree Program

Our Memorial Tree Program continues to blossom and we are excited to share a few changes that have come for 2026!

This year we've updated the Memorial Tree Program by bringing in a fresh set of tree options for both Ornamental and Hardwood selections. We've also made a slight adjustment to location options.

Location 1:

Pine Lake Memorial Trail, which will be highlighted on the 2026 maps, will continue to be available for the placement of Ornamental trees.

Location 2 (NEW):

You now have the option to have either an Ornamental or Hardwood tree placed directly on your lot!

As in years past, each memorial tree will include mulching, a commemorative plaque, and an initial application of deer repellent.

Planting is planned for late fall or early winter of this year, weather permitting. To be included in this year's Memorial Tree Program, we kindly ask that completed order forms be submitted by August 25th.

The cost for this program is \$225.00. For more information or to complete an order form, please contact Kinsey or Nicci at the Association Office (815-849-5209).

Ornamental Tree Options

Crab Apple - Prairiefire

Crab Apple - Coral Burst

Redbud - Carolina Sweetheart

Redbud - Whitebud

Hardwood Tree Options

Brandywine Maple

October Glory Maple

Oak

Locust - Purple Robe

How to Display The American Flag

The U.S. flag stands for our nation and the shared history, pride, principles, and commitment of its people. When we properly display this powerful symbol, we signal our respect for everything it represents.

The flag shouldn't be flown in inclement weather unless it's an all-weather flag.

Flags displayed at night should be properly illuminated.

In a time of national mourning, hang the flag at half-mast.

The flag can be flown every day, but it is often flown to show patriotism on these observances:

New Year's Day
Inauguration Day
Lincoln's Birthday
Washington's Birthday
Armed Forces Day
Memorial Day

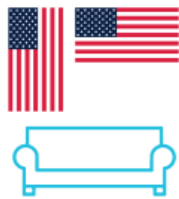

Flag Day
Independence Day
Labor Day
Patriot Day
Constitution Day

Columbus Day
Navy Day
Veterans Day
Thanksgiving Day
Christmas Day

When displaying the flag ...

From your porch, place the union (blue section) at the peak of the staff.

Against a wall or on a window, place the union (blue section) at the top left corner.

On your vehicle, clamp the staff to the right front fender.

With another flag, place the U.S. flag to your left when crossed.

Keep your flag completely dry and folded properly — into a triangle, with the union (blue section) visible — before storing it in a well-ventilated area. If the flag is damaged or worn out, it should be disposed of with dignity.

The flag should not touch anything below it or rest on the ground.

Source: United States Code, Title 4, Chapter 1—The Flagdignity.

U.S. FLAG ETIQUETTE INFORMATION

from usflag.org

The laws relating to the flag of the United States of America are found in detail in the United States Code. Title 4, Chapter 1 pertains to the flag; Title 18, Chapter 33, Section 700 regards criminal penalties for flag desecration; Title 36, Chapter 3 pertains to patriotic customs and observances. These laws were supplemented by Executive Orders and Presidential Proclamations.

The Flag Code, which formalizes and unifies the traditional ways in which we give respect to the flag, also contains specific instructions on how the flag is not to be used.

- The flag should never be dipped to any person or thing. It is flown upside down only as a distress signal.
- The flag should not be used as a drapery, or for covering a speaker's desk, draping a platform, or for any decoration in general. Bunting of blue, white and red stripes is available for these purposes. The blue stripe of the bunting should be on the top.
- The flag should never be used for any advertising purpose. It should not be embroidered, printed or otherwise impressed on such articles as cushions, handkerchiefs, napkins, boxes, or anything intended to be discarded after temporary use. Advertising signs should not be attached to the staff or hal-yard
- The flag should not be used as part of a costume or athletic uniform, except that a flag patch may be used on the uniform of military personnel, fireman, policeman and members of patriotic organizations.
- The flag should never have placed on it, or attached to it, any mark, insignia, letter, word, number, figure, or drawing of any kind.
- The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.

When a flag is so worn it is no longer fit to serve as a symbol of our country, it should be destroyed by burning in a dignified manner.

Our Woodhaven Lakes Veterans have provided a box at the Lakeview Building as a "drop off" location for your worn flags. They will be collected and disposed of in the correct, dignified manner.

					Speeding 30 mph in a 20 mph zone

Board Action Taken on Contractor's Privileges

Due to violations of Woodhaven's Rules and/or Contractors Policy, the Association Board of Directors at its May 23, 2026 meeting, considered the continued contractor's privileges for Michael O'Brien doing business as M & A Services. Mr. O'Brien's actions and performance had been the subject of a Public Safety Board of Review meeting on May 2, 2026, during which the Board of Review considered complaints and heard presentations from staff.

The Board of Directors reviewed the information presented at the May Board of Review. The Board of Directors determined to revoke the Contractor's privilege to do business. The revocation of his privileges was effective for a 12-month period beginning May 26, 2026 until May 26, 2027.

ESAC CITATIONS - MAY

Sec/Lot	Violation
1/26	No permit for storage lockers

Please Call for an Appointment

Monday-Saturday
8:30 a.m.-4:30 p.m.
Sunday 10 a.m.-2 p.m.

Discover this spacious 4-bedroom, 3-bathroom home built in 2000 that offers an exceptional blend of comfort, character, and versatility. The inviting living room features a wood-burning fireplace and soaring high ceilings, creating a warm and open feel the moment you step inside. The loft-style second floor adds charm and flexible living space, while the

full basement provides ample storage or future finishing potential. The kitchen is well-appointed with stainless steel appliances, a convenient island, and plenty of workspace. The primary suite includes a luxurious master bath with a relaxing jacuzzi tub and a separate rain shower. The home includes an attached 2-car garage and an oversized driveway with parking for at least four additional vehicles. A wrap-around porch extends to a large rear open deck-ideal for outdoor entertaining and enjoying the surrounding landscape. Adding even more value is the impressive two-story detached garage featuring a full studio apartment on the upper level. Perfect for guests, rental income, a home office, or creative workspace, this structure offers endless possibilities. A truly unique property with room to live, work, and grow-all in one place. Call for showing today before this one is spoken for. **\$279,900**

This listing offers 2 adjacent lots located within walking distance to downtown. A perfect opportunity to build that dream home! Property is being sold "As Is" **\$23,900**

Situated conveniently within a few blocks of both the fairgrounds and downtown shopping and restaurants, this home boasts a beautiful corner lot and large, detached 2-car garage. Large driveway with plenty of parking space for guests. New roof (home & garage), gutters, garage doors, and siding on south side of home in 2023; new water heater in 2022. Original hardwood under carpeting in living room, hall, and all bedrooms. This well-maintained, clean, one-owner home is ready for showings today! **\$136,500**

RECREATION & ACTIVITIES

KIDS DASH

FRIDAY, JULY 3RD | PAVILION PLAYGROUND | 10:30 A.M. REGISTRATION; 11 A.M. RACE STARTS

Calling all young athletes! Our Kids Dash offers a fantastic opportunity for children to engage in physical activity, have fun, and celebrate their accomplishments. Lace up your sneakers and join us for a thrilling adventure! Registration will begin at 10:30 a.m. at the Pavilion Playground. The top 3 finishers will receive awards in each age division. We will be running three age divisions: 5-6 year olds, 7-8 year olds, and 9-10 year olds. The distance for this race is ¼ of a mile.

5K/3K PACKET PICK-UP

FRIDAY, JULY 3RD | MULTI-PURPOSE ROOM | 2 - 4 P.M.

This year we will again be offering the opportunity for runners/walkers participating in our 5k/3k to pick up their race information the day prior to the event! Come to the Multi-Purpose Room to collect your materials! Registration will not be accepted during this event. Deadline to sign up is Thursday July 2nd.

RUBIX RUN

SATURDAY, JULY 4TH | REC PLEX | 8A.M.

Join in on the fun this Saturday with our annual 5k/3k. This race will utilize our Recreation Path. Day-of registration will NOT be accepted. Top 3 male and female finishers and top finishers in each age category will be awarded. All participants are welcomed into our post race party and will be entered into a raffle. Professional timing provided by Racing Expectations.

PARTY AT THE PAVILION

SATURDAY, JULY 4TH | PAVILION

Get ready to party like it's 1776! This weekend, the Activities staff is bringing a 4th of July picnic you can't miss. We will have music, games, contests, and giveaways. Join us at the Pavilion for loads of family fun! Remember alcohol is prohibited in common areas.

BILLY GRAY

SATURDAY, JULY 4TH | PAVILION | 7 - 10P.M.

"I love story telling and the reason why old school country resonates in my heart and soul. They took real life and put it to music. As I continue to write my own songs, I love to cover the greats like Johnny Cash, Waylon Jennings, Hank Sr. & Jr., Merle Haggard for that real country sound, as well as Toby Keith, Trace Adkins, and Creed Fisher for their patriotic hearts. As a former Marine, you will always hear the National Anthem at every show, my respect for Old Glory runs deep."

OPEN AIR MARKET

SUNDAY, JULY 5TH | REC PLEX OPEN MARKET PATH | 9 - 3 P.M.

Our 3rd Open Market of the year is on its way! Hop on the path starting at the Rec Plex horseshoe pits and make your way all around to the General Store. With close to 100 vendors this will be one you don't want to miss! The market will be open from 9 a.m. – 3 p.m. You will find a variety of wares from household goods to jewelry. Don't miss the bargains!

CHALK ART COMPETITION

SUNDAY, JULY 5TH | PAVILION | 1 - 2 P.M. WITH 2 P.M. JUDGING

Get ready to showcase your creativity at the most colorful event of the year! Whether you're a professional artist or a budding talent, this is your chance to shine. We will be naming the top artist in each age category. Our age categories are: 0-3 years old, 4-7 years old, 8-10 years olds, 11-13 years old, and 14 years old and up. Winners will be named around 2:15 p.m.

80S PROM NIGHT | SATURDAY, JULY 11TH

Step into the neon glow and flashback to the ultimate 80s Prom Night! Dust off those big, poofy dresses and tease your hair higher than ever, because it's time to dance the night away to all your favorite 80s hits. Show off your style and charm for a chance to be crowned Prom King and Queen, and enjoy a night full of retro fun, music, and memories that are totally rad! This event will start at 6 pm. in the Rec Plex Multi-Purpose Room. Grab a drink and mingle while we get ready to party! At 7 p.m., we will head up to the Pavilion to dance the night away at the band. King and Queen will be crowned around 8 p.m.; you won't want to miss it! (This event is for all ages, but geared towards adults who want to relive their prom!)

Scan Me

ANNUAL PROPERTY OWNER GOLF OUTING | SATURDAY, JULY 18TH

The Annual Amateur Golf Tournament is back!! You may register as foursomes, or we will also pair you to create teams of four! The fee is \$50 for a non-Shady Oaks member. Shotgun start at 8 a.m. Registration deadline is Monday, July 6. If you have any questions, contact the Recreation Department at the Association Office, 815-849-5209 x142

ANYTHING THAT FLOATS RACE | JULY 25TH

And they're off! Each year this activity grows in attendance and participation! Maybe this is the year that your design will win! "Boats" will be judged on creativity; best costume...and yes, even the first to SINK! The race will occur Saturday evening, so tell your friends! If you need more information or a registration form, please visit our website. Note: The Beach will be closed to swimming during this event.

Looking ahead at Main Event Weekend...

WINE AND CHEESE SOCIAL | FRIDAY, JULY 31 | ADULTS 21 AND OLDER

Adults will get an early start to Main Event Weekend with wine and cheese at the Lakeview Building. Come sample a variety of beverages and cheeses while enjoying the atmosphere as we take off into our Main Event Celebration! Participants must be at least 21 years old and have valid identification.

MAIN EVENT KICK-OFF PARTY | FRIDAY, JULY 31

Bring your fellow campers and jam out to some of your favorite songs! We will have a DJ at the Pavilion from 7- 10 p.m. playing songs that will make you wanna dance! Come help us kick off the Main Event festivities, and possibly come home with a prize (or two)! All ages are welcome!

OPEN AIR MARKET | SATURDAY, AUGUST 1, 9 A.M. - 3 P.M.

Our fourth Open Air Market of the year will be held during Main Event Weekend. More booths.... means more to choose from! You will find a variety of wares from household goods to jewelry. Don't miss the bargains! *Main Event Open Market will be held on Saturday*

MAIN EVENT HEADLINER: SODA | SATURDAY, AUGUST 1, 7 P.M.-10 P.M.

In SODA you'll find exactly what you need to get the party started. Formed in 2008, this all-star lineup has quickly become one of Chicago's most booked and beloved bands. If you like variety in your musical experience, you'll find that Soda captures the heart and soul of one of the most diverse play lists you'll find anywhere. What's your flavor? Because you'll get everything all the time with Soda. From Johnny Cash to The Zac Brown Band, and from Lady Gaga to Bruno Mars, this band can do it all. Multiple lead singers, each with distinctive styles, work to bring authenticity to all your favorite songs. The possibilities are endless. Classic Rock, 80s New Wave, Motown, Disco, Hip-Hop, Reggae, Alternative—the list goes on and on.

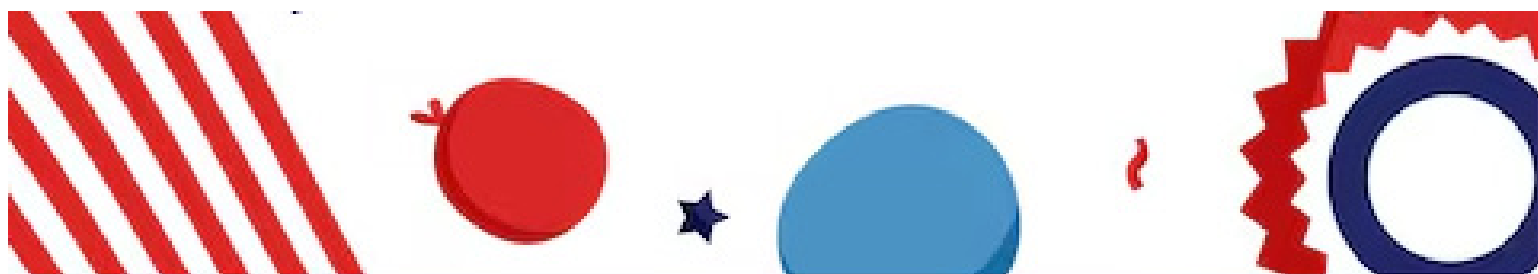

Come watch the night light up at Woodhaven's annual fireworks show! Always a favorite, come to the Pool 2/Beach/Amphitheater area with blankets and chairs with all your family and friends to enjoy the show! Grab a blanket, sink your toes in the sand, and enjoy an unforgettable evening of vibrant colors and booming lights reflecting off the lake. come early to find a good spot and enjoy the festive atmosphere before the sky lights up!

As of Oct. 1, 2024, Foremost is allowing us to write Park Model insurance for those without prior insurance, a change from last year's policy where Foremost would only take new purchases or if they had been insured within the last 10 days.

ESAC CORNER

susan mcgraw, esac manager

Five Easy Ways to Avoid Citations

While having your name in the paper can be exciting if you've won the lottery or Guinness Book of World Records has just certified you as holding the record for eating the most hot dogs; having your name appear in the *Woodhaven News* in the ESAC "Citations Issued" column clearly is not how you wish to be recognized. This kind of publicity may be avoided if you follow these five easy suggestions:

1. If you receive a letter about a problem or discrepancy and you have questions regarding what needs to be done, call or visit ESAC for clarification. We will be happy to discuss the matter or have an inspector meet with you on your lot to be certain there is no misunderstanding of the problem.
2. The letter alerting you to the problem or discrepancy includes an important option: "The issue noted needs to be addressed within 30 days of the date of this letter. If you are unable to comply within 30 days, please contact the ESAC Office to discuss your plans for compliance and a possible extension." Communication with ESAC regarding your plans indicates that you are concerned and want to resolve any problems. ESAC will gladly work with you to answer any questions you may have and provide you with a Violation Correction Agreement allowing you a reasonable timeframe for correction if you are unable to correct the matter within 30 days.
3. Once you have an agreed upon timeframe, do your best to keep it. But if, for some reason it is not possible, notify ESAC to discuss options. We certainly understand that weather, emergencies, and personal problems can cause delays and reasonable requests for extension may be possible.
4. Be certain your current contact information including phone number and email address are on file with Woodhaven Association. ESAC may need to contact you to be certain you understand the discrepancy, clarify possible problems with the corrections you have made or for any other reason. Sometimes a further a citation is issued because we are unable to communicate with you in any other manner, especially if you have not made contact with our office.
5. Also be certain your address information is current. Failure to receive notice of problems because we do not have a current address is not a valid excuse for failing to respond or correct; and ESAC makes every effort to communicate with you.

If you notice, the words "call," "visit," "communicate," and "contact" are used frequently in the above suggestions. These actions are key to all of the above steps. Staying in contact with the ESAC Office can avoid the issuance of a citation. The goal of the ESAC Office is compliance and not to be punitive to our Property Owners. By working together we can all be "Happy Campers".

e-bike

rules & safety tips

With the recent addition to our Rules & Regulations regarding e-Bikes, the Board of Directors wanted to provide some safety tips to those wishing to enjoy the use of electric bicycles at Woodhaven Lakes

Rules & Regulations - Article II, Section 1, G.

Low-Speed Electric Bicycles (e-Bikes). The State of Illinois recognizes three classifications of low-speed electric bicycles. They are:

- "Class 1 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches a speed of 20 miles per hour.
- "Class 2 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that may be used exclusively to propel the bicycle and that is not capable of providing assistance when the bicycle reaches a speed of 20 miles per hour.
- "Class 3 low-speed electric bicycle" means a low-speed electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the bicycle reaches a speed of 28 miles per hour.

1. Class 1 low-speed electric bicycles, as defined in the Illinois Vehicle Code, are recognized and allowed to be operated as a bicycle within Woodhaven.
2. Class 2 and Class 3 low-speed electric bicycles are prohibited from operating within Woodhaven.

[most tips are also applicable to regular bicycle use - always ride with traffic, wear a helmet, and be aware of your surroundings]

Wear a Helmet

wearing a helmet reduces the risk of head injury by 70%

Follow the Rules of the Road

Ride on the right side of the road and obey all traffic safety devices

Keep Battery Charged

only use a charger rated for your battery

Be Visible & Safe

wear hi-vis clothing and proper footwear

Be Aware of Pedestrians

Watch your speed, brake early, and share the trails

Mount & Dismount Carefully

e-bikes are heavier than traditional bikes and require more effort to stay upright

Leaf Vacuum V.S. Bagged leaves V.S. Brush

The lot-to-lot pickup of loose leaves, bagged leaves, and brush is a service we offer here at Woodhaven. Property Owners must sign up for the service they need. Sign-ups can be done at the Association Office, Main Gate, General Store, Service Center, and the Woodhaven App. With any service offered, there is always a cost involved. That cost may be staff time, fuel, equipment, etc. In the Resource department, we try to keep costs as low as possible by completing tasks as efficiently and effectively as possible. When it comes to picking up what may be on your lot, it is ESSENTIAL to sign up for the appropriate pickup. When someone signs up, we add your lot to the appropriate list, and yes, we drive to every lot on the list. The reason it is crucial to sign up for the correct item is that we send different equipment to each lot depending on what is signed up for.

Leaf Vacuum – We will send a truck pulling the leaf vacuum to gather the leaves. This vehicle is used daily during the leaf vac season and is only capable of addressing loose leaves piled at the end of your lot. This service requires 2 staff to operate.

This is defined as loose leaves ONLY. They must be piled at the edge of your lot, no deeper than 10 feet wide.

Bagged leaves – We will send a 1-ton dump truck to gather the bags from each lot. This service is offered for 5 months during the summer. The vehicle sent is only capable of addressing the bagged leaves. This service requires 1 staff to operate.

This is defined as leaves bagged in approved paper landscape bags. Plastic will not be accepted. There is to be no woody debris/brush or garbage in the bags. Bags may be rejected if they contain inappropriate materials. Bags must be located at the edge of your lot.

Brush – We will send a vehicle with a woodchipper box attached to the bed. In addition, it will be pulling a woodchipper which mulches the woody debris and displaces the mulch into the chipper box on the back of the truck. This service requires 1 staff to operate.

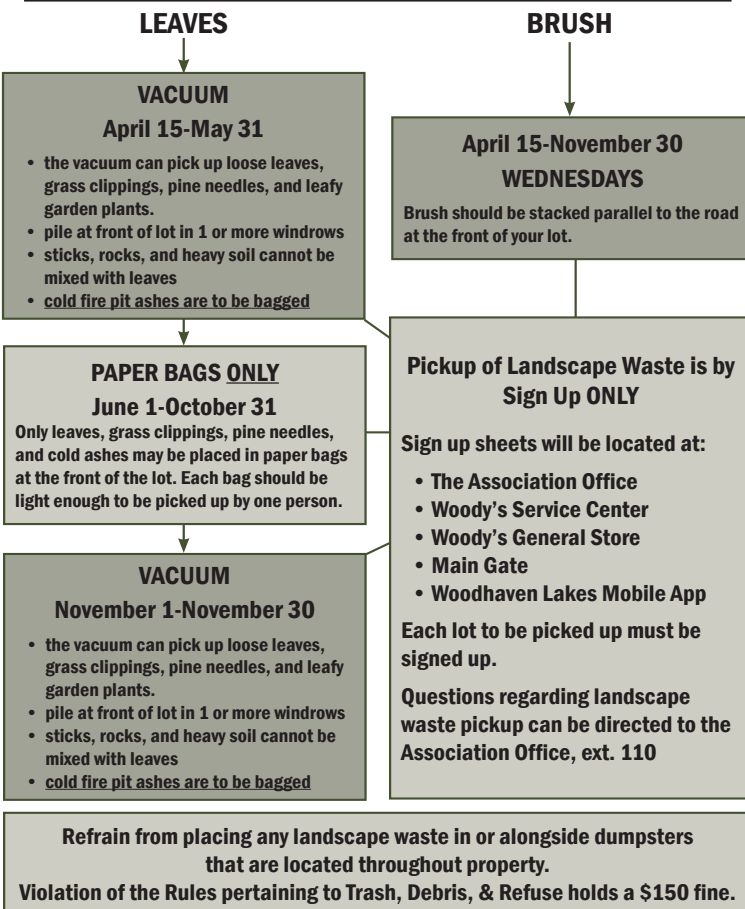

This is defined as woody debris only (logs, branches, sticks). Please stack parallel with the road at the edge of your lot.

During the month of November, we had 78 lots sign up for “brush” pick-up. Of those lots that had signed up only 18 of them were actual brush pick-up. Which means Resource staff had to drive to 60 lots that did not contain brush, this process took 23 work hours, that could be used more productively.

DAILY CATCH LIMITS AND RULES - 2026

1. **Woodhaven Lake** - largemouth bass - harvest up to 3 fish under 12 inches and “Catch & Release” on fish 12 inches and greater. Walleye - limit 2 per day (16 in minimum length)
2. **Bass Lake** - largemouth bass - harvest up to 3 fish under 12 inches and “Catch & Release” on fish 12 inches and greater.
3. **Pine, Sunset, Black Oak, Hidden & Bluegill lakes** - 1 largemouth bass/day, 14 inch minimum length limit.
4. **All Lakes** - 15 fish combined catch limit on bluegill and redear species.
5. **All lakes** - 15 fish limit on crappie
6. **All Lakes** - 4 fish limit on channel catfish.
7. **All lakes** - return grass carp to the lake
8. **All lakes** - No limit on common carp, bullhead, and green sunfish species.
9. **All lakes** - NO MINNOWS: using live minnows can introduce unwanted species/organisms into our lakes.
10. **No harvesting of turtles.** This is geared mainly towards snapping turtles in which populations have been declining in the State over the years due to overharvest.
11. **2 poles and line only in the water at a time for all the lakes on property.** With this restriction, anglers would be allowed to have multiple poles but only 2 lines in the water at a given time.
12. **No unattended fishing devices allowed at any time on any of the lakes.** Unattended devices can cause mortality to fish and turtles that should be released if undersize as well as interfere with boaters using the lakes.
13. **No trotline or jug fishing on any of the lakes.** Given our fisheries are recreational, I believe these devices are damaging to our fisheries and interfere with boaters using the lakes.

COMMUNICATIONS COMMITTEE CORNER

diana koeppel, communications committee

Seems like summer is in full swing, and the nice warm temperatures bring along the excitement of festival season for kids and adults alike! Since many property owners and their family's vacation at Woodhaven, I have compiled a list of fun festivities in our surrounding communities. Most of the festivals offer carnival rides, food and shopping vendors, live entertainment, classic car shows, 50/50 raffles, parades and pageants, sports tournaments, bingo and last but not least, amazing fireworks displays.

Below is a list by date of area festivities you can explore one funnel cake at a time:

<u>June & July Festivals</u>	
6/12 – 6/14 Buffalo Days – La Moille	7/3 – 7/5 Walnut Days – 204 E. Walnut St.
6/18 – 6/21 Oglesby Fun Fest	7/4 Amboy Fireworks – 227 E. Main Street
6/19 – 6/21 Polo Town & Country Days 100 Union Avenue	7/4 Langley – Intersection of Rt 6 & 40 – Psycho Silo
6/25 – 6/27 Sheffield Festival	7/4 Leland Fun Days – 370 N. Main Street
6/21 Oglesby – Fireworks – 100 Deer Park Ln	7/4 Ottawa Fireworks – 211 E. Main Street – Ottawa High School
6/27 Mendota Fireworks – Mendota Lake Park 1506 Lakeview Drive	7/4 Princeton – Zearing Park – S Euclid Ave & Zearing Dr
6/27 Sandwich Freedom Days – 1001 N Latham St	7/4 Rochelle – 420 North 6 th Street – Atwood Park
7/2 Rock Falls Eats N Beats – 201 East 2 nd St	7/4 Shabbona – Shabbona Lake State Park
7/2 – 7/5 Dixon – Annual Petunia Fest – Riverfront Park	7/6 Utica Fireworks – Carey Memorial Park – 105 Division Street
7/3 Peru Firework Celebration – Water Street	7/23 – 7/26 Lee County Fair/4H – 1196 Franklin Rd, Amboy

<u>August & September Festivals</u>	
8/2 Woodhaven Main Event – Fireworks	8/27 – 8/30 Amboy Depot Days
8/6 – 8/9 Mendota Sweet Corn Festival 700 Jefferson Street	9/6 – 9/7 Paw Paw Lions Club Labor Day Celebration
8/6 – 8/9 Streator Fest – 202 W. Lincoln Ave	9/9 – 9/13 Sandwich Fair – 15730 Pratt Road
8/15 Rochelle Lincoln Heritage Festival – 420 North 6 th Street – Atwood Park	9/12 Sublette Hops & Harmony Festival
8/26 – 8/30 Princeton Bureau County Fair & 4H 811 W. Peru Street	9/19 Franklin Grove Autumn on the Prairie – Nachusa Grasslands 2075 Lowden Road

Recreation Department

Association Office, Rec Plex, and all over!

Emma Beardsley
Recreation Manager
Ext. 142

Tim O'Laughlin
Rec/Aquatics Tech II
Ext. 140

Katie Kwarta
Rec Plex Manager
Ext. 142

Seasonal Staff

Activities Coordinators, Facility Hosts, Rec Maintenance

Staff

The Recreation staff consists of two groups. The first group is our "Activity" staff members. You will see these staff members out and about at all facilities gathering supplies and prepping for the weekend plans. Their central hub is typically the Association office or the Rec Plex. Our second group of staff is our "adult" staff. These staff members work our daily coffee hour program at Lakeview and help manage the front desk at the Family Center. These staff members along with Emma, the Recreation Manager, work closely together all summer to ensure the facilities are taken care of & Property Owners always have something fun to look forward to!

Fun and Entertainment!

The main function of our Department is to provide fun & entertainment to any and all property owners! The Recreation department strives to provide activities and events for all ages. From weekend **children's activities**, to **bands** every Saturday night, we do our best to offer something for everyone. Some of our favorites include our yearly **tie dye** event, **Anything that Floats**, & the Main Event **Fireworks!**

Food Vendors

There are many things out on property that you may not realize the Recreation department helps oversee. The first being the Food Vendors. The Recreation department contacts, schedules, and communicates with all the food trucks and vendors out on property. If you or someone you know may be interested, please let us know!

Open Markets

The Recreation department also manages all our open markets. You may see our staff out and about in the morning helping park the cars, but we also help with registration, and marking out all the spots. We love working with all the vendors and seeing what new and exciting items they have for sale.

Main Event Theme

We work closely with the Marketing department each year to come up with a new summer theme. From there we develop the logo and yearly calendar. This is always one of our favorite things to do!

Stay in the Know!

We try to provide as much information as possible weekly in the *Leisure Times*. We also put events out in advance on our online and physical calendar. For the most up to date info on what is going on, always keep up with our Facebook page and the weekly *Leisure Times*.

Recreation Department - Rec Plex

Rec Plex

Katie Kwarta
Rec Plex Manager

Day Camp Coordinator
9 Years

Ashley Winters
Day Camp Coordinator
8 Years

Seasonal Staff:
Rec Plex Attendants

Hub for all things Recreation!

The Rec Plex (short for Recreation Complex) is the central location for all things Recreation! There are 3 locations within the Rec Plex: the Q & Ice Box, Creation Station, and Multi-Purpose Room.

The Q

The Q is home to our arcade! Challenge your friends or play solo - you'll find plenty of arcade games including Mario Kart, pinball, skeeball, and basketball.

Ice Box

Create a float with any combination of ice cream and Coke products you can dream of. Eighteen different flavors of hard dip ice cream, plus chocolate and vanilla soft serve ice cream and a Coke fountain machine.

Creation Station - Arts & Crafts

At the Creation Station we have daily crafts during the season and also hold several painting parties through the summer.

Family Fun Nights

The Rec Plex hosts Family Fun Nights on Thursday evenings. Events range from BINGO to water balloon fights!

Day Camp

Day Camp provides supervised fun for all participants, ages 6-12, from 9 a.m. – 3 p.m., Tuesday, Wednesday, and Thursdays during the summer, typically June and July. The Day Camp program is based out of the Rec Plex with afternoon swimming at Pool 1, though scheduling does vary.

Equipment Rental

In exchange for a property pass or activity pass, you can rent any of the following items:

- Basketballs
- Soccer balls
- Kickballs
- Footballs
- Shuffleboard
- Tennis rackets and tennis balls
- Horseshoes
- Pickleball
- Disc Golf Discs (\$10 refundable deposit required)

NATURALIST CORNER

alyssa rod, nature center coordinator

July is the opening of the monarch butterfly nurseries! By mid to late July, the Monarch butterflies that migrated from Mexico have established their second and third generations here in Northern Illinois. Milkweed plants are active with yellow, white, and black striped caterpillars munching away on plants in local fields, prairies, and roadsides. The Common Milkweed is one of the core milkweed species that these caterpillars and butterflies use.

Have you ever wondered why milkweed plants are so important to monarchs? Milkweeds produce a toxic, sticky, white sap that is meant to protect the plant, but monarch caterpillars have adapted to survive the toxin and instead store it in their own bodies to make themselves poisonous to birds or other predators. To help monarch butterflies and caterpillars out, try planting some native milkweeds in your yard this year. Classic native milkweeds include Common Milkweed (*Asclepias syriaca*), Butterflyweed (*Asclepias tuberosa*), and Whorled Milkweed (*Asclepias verticillata*). Please leave native wild milkweeds where they are so caterpillars and butterflies continue to have these safe places for food and rest.

July at the Nature Center: Explore the Nature Center this summer to discover our new exhibits, displays, and activities all about nature! This year we're focusing on glaciers, ponds, life in the 1800s, and a celebration of America's 250 with a display on the National Park Service including a weekly park/unit focus! Make sure to stop by the Nature Center every weekend to join us in creating a free nature craft or joining the nature fun offered that weekend. We'll see you soon at one of the amazing new and returning programs below being offered this month!

PAINT STICK FIRECRACKERS EXTRA CRAFT

FRIDAY, JULY 3 – 3:00 P.M. | NATURE CENTER PAVILION

Bring your friends and family over to create this unique holiday craft together! We'll be using paint on these sticks, so dress appropriately. While supplies last.

ABE LINCOLN MEET & GREET

SATURDAY, JULY 4 – 11:00 A.M. TO 1:00 P.M.

NATURE CENTER 1800S LOG CABIN

Step back in time with Honest Abe! Join us at our 1800s log cabin as we welcome the 16th President of the United States during this unique historical encounter. Local portrayer John Hemminger will bring Abraham Lincoln to life in a special first-person program. Whether you want to know about his early years or his time as president, Mr. Lincoln is ready for your questions between 11 a.m. and 1 p.m. Saturday as part of our USA 250th celebration. All pets are restricted from this program.

NATURE CENTER FARMER'S MARKET

SATURDAY, JULY 4 – 10:00 A.M. – 4:00 P.M.

SUNDAY, JULY 5 – 9:00 A.M. – 3:00 P.M.

NATURE CENTER FRONT YARD

Stop by to pick up your favorite food and plant goodies! We plan to have jams, honey, pastries, sourdough, kettle corn, plants, veggies, mushrooms, meats, popsicles, and more, weather permitting. Don't forget to stop inside the Nature Center to sign-up for the Farmer's Market Basket Giveaway. A little treat from each of our vendors could be yours! Sign up before 3 p.m. on Sunday afternoon, when we will pick three winners. Check out the rules located at the sign-up location.

FRIDAY NIGHT BINGO IN THE WOODS: WINTER EDITION

FRIDAY, JULY 10 – 6 P.M. | NATURE CENTER PAVILION

Celebrate winter in July at the Nature Center this weekend starting with a fun game of winter BINGO! We'll be looking for snowmen, snowflakes, and hot cocoa on the bingo boards to keep us cool on a sizzling summer night. Bring a blanket or a chair and enjoy the fun!

FAMILY CRAFT – GLASS JAR SNOW GLOBE

SATURDAY, JULY 11 – 11 A.M. | NATURE CENTER FRONT YARD

Continue the wintery fun on Saturday with our family craft snow globe. We'll be making cute little winter scenes with a dash of glittery and snowy charm! This is a family craft, so be ready to work together with one craft per family. While supplies last.

MINI - NATURE CENTER FARMER'S MARKET
SATURDAY, JULY 18 – 10:00 A.M. – 4:00 P.M.
SUNDAY, JULY 19 – 9:00 A.M. – 3:00 P.M.
NATURE CENTER FRONT YARD

Stop by for a sweet honey treat! Johnson's Honey Farm and Meddling Sheep Mushrooms will be set up in the Nature Center yard selling your favorite honeys, Amish treats, mushrooms, and more over the weekend.

TOUCH-A-TRUCK WITH AMBOY & SUBLETTE FIRE DEPARTMENTS & WOODHAVEN PUBLIC SAFETY
SATURDAY, JULY 25 – 12:00 P.M. – 2:00 P.M.
NATURE CENTER FRONT YARD

This is your chance to get up close to fire trucks, ambulances, and our own Public Safety squad vehicle. The Amboy and Sublette Fire Departments will be bringing a couple of trucks out for all ages to get a closer look. There are also plans for a local Pink Heals truck to stop by. Hop inside, look around, and find out more about what these vehicles have to offer. These crews are part of the team that helps protect everyone at Woodhaven! This program may be delayed or shortened if either fire department is needed to move out and make rescue calls. All pets are restricted from this program.

Nature Nuggets: Let's take a closer look at local nature!

Let's take a closer look at Spiderwort! Spiderwort (*Tradescantia ohiensis*) is a beautiful flowering plant found throughout Woodhaven in late spring to mid-summer, as well as most of Illinois and eastern North America from mid-Canada to Texas. It is often found in moist to mesic black soil prairies and sand prairies. Spiderwort can also be found in other habitats like sandy black oak savannas, bur oak savannas, limestone glades, thickets, woodland borders, moist meadows near woods or rivers, roadside ditches, and areas along railroads.

Spiderwort is a perennial that grows about two to four feet tall, growing from a main stem that is unbranched until getting to the flowerhead. The stem is thick, smooth, and hairless with gray or blue-green alternating leaves. These leaves can grow up to 15 inches long and 1 inch across. The light violet to blue-violet flowers of Spiderwort grow in small clusters on tiny stems near the top of

the plant. These flowers are about 1 inch across, with 3 rounded petals, 6 bright yellow anthers, and fine spidery violet hairs near the base. Each flower opens during the morning and closes by the afternoon in sunny weather. On cloudy days, the flowers will remain open longer. Once the flowers close, they start to melt. Be aware that these melted flowers can dye clothing or skin if touched. Spiderwort flowers are important to many pollinator species, the most important being long-tongued bees and bumblebees.

Spiderwort is one of the most adaptable native wildflowers as it grows well

in full sun and moderately moist soils. It is also a nice addition to native garden plantings. When planting seeds, fall is the best time as the seeds need about four months of moist-cold stratification. This means the seed needs to go through the winter cycle of cold freeze and thaw before starting growth in spring. If you don't use nature to propagate the seeds, you can artificially stratify seeds by placing them in a seed starting medium in a sealed plastic bag stored in a refrigerator (33-40°F). A seed starting medium can be a damp paper towel, coffee filter, sand, vermiculite, or other horticultural-use medium for the 120 days that this plant seed needs.

Fun fact: The name "spiderwort" comes from the plant's sap! When a stem or leaf is broken, it emits a clear, sticky fluid that stretches out into silky threads that resemble a spider's web.
